**DEBTORS' MOTION PURSUANT TO
SECTIONS 105(a) AND 363(b)(1) OF THE BANKRUPTCY
CODE AUTHORIZING LEHMAN BROTHERS HOLDINGS INC.
TO ENTER INTO MORTGAGE LOAN PURCHASE AGREEMENT**

TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. ("LBHI") and its affiliated debtors in the
above-referenced chapter 11 cases, as debtors and debtors in possession (together, the
"Debtors" and, collectively with their non-debtor affiliates, "Lehman"), file this Motion
and respectfully represent:

Background

1. Commencing on September 15, 2008 and periodically thereafter
(as applicable, the "Commencement Date"), LBHI and certain of its subsidiaries
commenced with this Court voluntary cases under chapter 11 of title 11 of the United

States Code (the “Bankruptcy Code”). The Debtors’ chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On September 17, 2008, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed the statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Creditors’ Committee”).

3. On September 19, 2008, a proceeding was commenced under the Securities Investor Protection Act of 1970 (“SIPA”) with respect to Lehman Brothers Inc. (“LBI”). A trustee appointed under SIPA is administering LBI’s estate.

4. On January 19, 2009, the U.S. Trustee appointed Anton R. Valukas as examiner in the above-captioned chapter 11 cases (the “Examiner”) and by order, dated January 20, 2009 [Docket No. 2583] the Court approved the U.S. Trustee’s appointment of the Examiner.

Jurisdiction

5. This Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

Lehman’s Business

6. Prior to the events leading up to these chapter 11 cases, Lehman was the fourth largest investment bank in the United States. For more than 150 years,

Lehman had been a leader in the global financial markets by serving the financial needs of corporations, governmental units, institutional clients and individuals worldwide.

7. Additional information regarding the Debtors' businesses, capital structures, and the circumstances leading to the commencement of these chapter 11 cases is contained in the Affidavit of Ian T. Lowitt Pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York in Support of First-Day Motions and Applications, filed on September 15, 2008 [Docket No. 2].

Preliminary Statement

8. Beginning in 2006, LBHI and its indirect non-debtor subsidiary, LB Carillon Construction LLC ("LB Carillon") loaned in excess of \$522 million to certain borrowers to finance the construction of a residential condominium project commonly known as Canyon Ranch Living Miami Beach Condominiums, located in Miami Beach, Florida ("Canyon Ranch Miami"). These loans consist of (i) two Construction Loans (as defined below) made by LB Carillon, which are secured by, among other things, first lien mortgages on the southern and northern parcels of Canyon Ranch Miami and (ii) a Mezzanine Loan (as defined below) made by LBHI, which is secured by, among other things, interests in the entities that own Canyon Ranch Miami. In connection with the Construction Loans, LB Carillon borrowed \$238,850,000 from Fortress Credit Corp. ("Fortress").

9. Since construction was completed in 2008, only 209 out of the 580 condominium units located at Canyon Ranch Miami (the "Condominium Units") have been sold, far fewer sales than needed to generate sufficient proceeds for the borrowers under the Construction Loans and the Mezzanine Loans to repay their indebtedness to LB

Carillon and LBHI. Potential purchasers have entered into purchase contracts (“Existing Contracts”) for an additional 193 Condominium Units but have been unable to close such Existing Contracts as a result of, among other things, the difficulty and expense associated with securing mortgages for residential condominiums in south Florida in the current environment. Specifically, the ability of potential purchasers of real estate to obtain mortgage loans that cannot be resold to Fannie Mae or to Freddie Mac due to the failure of such loans to comport with such agencies’ guidelines (so called “non-conforming” loans) is currently severely limited. Mortgage loans for Condominium Units at the Canyon Ranch Miami would in all circumstances be non-conforming because they likely exceed the maximum dollar threshold for conforming loans, and mortgage loans for units within a condominium and hotel project fail to conform with Fannie Mae and Freddie Mac’s guidelines. This difficult financing environment likely has precluded other potential purchasers from proceeding to execute purchase contracts for the other unsold Condominium Units.

10. If potential purchasers, including those who have entered into Existing Contracts, are not able to secure acceptable financing, it is very likely that most, if not all, of such purchasers will default on their purchase commitments. As a result of such defaults, the borrowers under the Construction Loans will be unable to repay such loans and may ultimately default on their commitments to LB Carillon. At that point, the Debtors’ only prospect for recovery on their investment would be for LB Carillon to foreclose, take ownership of Canyon Ranch Miami and attempt to sell the Condominium Units itself. Nonetheless, LB Carillon likely would face the very same issues as the

borrowers under the Construction Loans regarding the inability to close Existing Contracts and sell remaining Condominium Units.

11. Furthermore, the failure of the borrowers to repay their indebtedness under the Construction Loans will also impede LB Carillon's ability to repay the loan from Fortress.

12. Instead, to facilitate the closing of the Existing Contracts and sale of the remaining 178 available Condominium Units, and thereby assist the borrowers under the Construction Loans and Mezzanine Loan in achieving sufficient cash flow to service their indebtedness to LBHI and LB Carillon, the Debtors have developed a mortgage financing program (the "Mortgage Program") pursuant to a Mortgage Loan Purchase Agreement with Americor Mortgage Inc. ("Americor"), which is annexed hereto as Exhibit A (the "Purchase Agreement"). Under the terms of the Purchase Agreement, Americor will provide residential condominium mortgage loans ("Residential Loans") to all individuals desiring to purchase the Condominium Units, and LBHI agrees to purchase such Residential Loans from Americor. The Debtors estimate that for the life of the Mortgage Program, they may purchase approximately \$100 million to \$200 million worth of Residential Loans pursuant to the Purchase Agreement.¹ The increased availability of financing to potential purchasers increases the likelihood that sale proceeds of the Condominium Units will be available for the repayment of LB Carillon's senior secured Construction Loans, which will in turn increase the likelihood

¹ In the event the face amount of Residential Loans purchased by LBHI under the Purchase Agreement exceeds \$200 million, the Debtors shall seek additional authority to purchase additional Residential Loans.

that sale proceeds will be available for the repayment of LBHI's subordinated Mezzanine Loan.

Relief Requested

13. The Debtors believe that entry into an agreement substantially similar to the Purchase Agreement involves the use of property of the estate in the ordinary course of business and, thus, does not require approval of the Court pursuant to section 363(b)(1) of the Bankruptcy Code. In order to avoid losing any potential purchasers who are party to Existing Contracts at the Canyon Ranch Miami and in order to maximize value for the Debtors' estates, Americor has begun to accept loan applications and process such applications during the pendency of this Motion. The Debtors will reimburse Americor for any of its expenses incurred on account thereof. Out of an abundance of caution, the Debtors are seeking approval of the Court under section 363(b)(1) of the Bankruptcy Code to use property of LBHI's estate in connection with the Purchase Agreement, to the extent such use is other than in the ordinary course of business.

The Canyon Ranch Miami Loans

14. On September 8, 2006, LB Carillon, as successor-in-interest of LBHI, and Carillon South Joint Venture L.L.C. (the "South Borrower") entered into that certain Restructured Construction Loan Agreement (as amended, modified and supplemented, the "South Loan Agreement") relating to a loan by LBHI to the South Borrower in the maximum principal amount of \$219,186,000 (the "South Loan") to finance the construction of the southern parcel of Canyon Ranch Miami. The South Loan is secured by, among other things, a first lien mortgage on the southern parcel of Canyon

Ranch Miami pursuant to that certain Notice of Future Advance and Restated Mortgage, Security Agreement, Assignment of Rents and Leases and Fixture Filing, dated as of September 7, 2006 and executed by the South Borrower (the “South Mortgage”).

15. On September 8, 2006, LB Carillon, as successor-in-interest of LBHI, and North Carillon L.L.C. (the “North Borrower”) entered into that certain Restructured Construction Loan Agreement (as amended, modified and supplemented, the “North Loan Agreement”) relating to a loan by LBHI to the North Borrower in the maximum principal amount of \$199,505,000 (the “North Loan” and together with the South Loan, the “Construction Loans”) to finance the construction of the northern parcel of Canyon Ranch Miami. The North Loan is secured in part by a first lien mortgage on the northern parcel of Canyon Ranch Miami pursuant to that certain Notice of Future Advance and Restated Mortgage, Security Agreement, Assignment of Rents and Leases and Fixture Filing, dated as of September 7, 2006 and executed by the North Borrower (the “North Mortgage” and together with the South Mortgage the “Mortgages”).

16. In connection with the Construction Loans, Fortress made a loan to LB Carillon in the amount of \$238,850,000 (the “Fortress Loan”). LB Carillon intends to use the payment proceeds from the Construction Loans to pay off a portion of the Fortress Loan. If the North Borrower and the South Borrower fail to repay the Construction Loans, LB Carillon will face great difficulty in repaying the Fortress Loan.

17. On October 5, 2007, LBHI, Carillon South Mezz LLC, (“CSM”), Carillon North Mezz LLC (“CNM”) and Carillon Miami Beach Holding LLC (“Carillon Holding”) and, together with CSM and CNM, the “Mezzanine Borrower” and, collectively with the South Borrower and the North Borrower, the “Borrowers”) entered into that

certain Amended and Restated Loan Agreement (as amended, modified, and supplemented, the “Mezzanine Loan Agreement”) relating to a mezzanine loan by LBHI to Mezzanine Borrower in the amount of \$103,746,224 (the “Mezzanine Loan” and, together with the Construction Loans, the “Loans”). The Mezzanine Loan is secured by, among other things, a security interest in all membership interests in the Borrowers and certain affiliates of the Mezzanine Borrower. On July 14, 2007, LBHI made a protective advance to the Mezzanine Borrower in the amount of \$3,000,000.

The Purchase Agreement

18. Since construction of Canyon Ranch Miami was completed in 2008, only 209 out of the 580 condominium units located at Canyon Ranch Miami (the “Condominium Units”) have been sold; far fewer sales than needed to generate sufficient proceeds for the borrowers under the Construction Loans and the Mezzanine Loans to repay their indebtedness to LB Carillon and LBHI. While potential purchasers have entered into 193 Existing Contracts for Condominium Units, the Debtors believe such potential purchasers have been unable to close on their contracts as a result of, among other things, the difficulty and expense associated with securing mortgages for residential condominiums in south Florida in the current environment. Specifically, the ability of potential purchasers of residential real estate to obtain mortgage loans that cannot be resold to Fannie Mae or to Freddie Mac due to the failure of such loans to comport with such agencies’ guidelines (so called “non-conforming” loans) is currently severely limited. Mortgage loans for Condominium Units at the Canyon Ranch Miami would in all circumstances be non-conforming because they likely exceed the maximum dollar threshold for conforming loans, and mortgage loans for units within a condominium and

hotel project fail to conform with Fannie Mae and Freddie Mac's guidelines. This difficult financing environment likely has precluded other potential purchasers from proceeding to execute purchase contracts for the other unsold Condominium Units.

19. If potential purchasers, including those who have entered into Existing Contracts, are not able to secure acceptable financing, it is very likely that most, if not all, of such purchasers will default on their purchase commitments under such contracts. As a result of such defaults, the borrowers under the Construction Loans will be unable to repay such loans and may ultimately default on their commitments to LB Carillon. At that point, the Debtors' only hope of recovering their investment would be foreclosure of the Canyon Ranch Miami, upon which the Debtors' could attempt to sell the Condominium Units themselves. Nonetheless, LB Carillon likely would face the very same issues as the Borrowers: difficulty closing Existing Contracts and selling remaining Condominium Units.

20. Moreover, the failure of the North Borrower and South Borrower to repay their indebtedness under the Construction Loans will also impede LB Carillon's ability to repay the Fortress Loan.

21. Instead, to facilitate the closing of the Existing Contracts and sale of the remaining 178 available Condominium Units and thereby assist the borrowers under the Construction Loans in achieving sufficient cash flow to service their indebtedness to LB Carillon and LBHI, the Debtors have developed a mortgage financing program pursuant to the Purchase Agreement with Americor. Under the terms of the Purchase Agreement, Americor will provide Residential Loans to all individuals desiring to purchase the Condominium Units, and LBHI agrees to purchase such Residential

Loans from Americor. The Debtors estimate that for the life of the Mortgage Program, they may purchase approximately \$100 million to \$200 million worth of Residential Loans pursuant to the Purchase Agreement.

22. The increased availability of financing to potential purchasers increases the likelihood that sale proceeds of the Condominium Units will be available for the repayment of LB Carillon's Construction Loans, which will proportionately increase the likelihood that sale proceeds will be available for the repayment of LBHI's subordinated Mezzanine Loan.

23. The Debtors seek authorization from the Court to enter into a final agreement substantially similar to the Purchase Agreement. The salient terms of the Purchase Agreement are as follows:²

Purchase and Sale of Residential Loans LBHI shall purchase from Americor all Residential Loans that:

- (i) have been originated by Americor;
- (ii) meet the requirements of the Purchase Agreement and the underwriting criteria agreed to by LBHI and Americor from time to time;
- (iii) have been approved for purchase by LBHI in accordance with the Purchase Agreement; and
- (iv) are closed within 30 days after the date LBHI provides written notice to Americor that LBHI has approved such Residential loan for purchase.

LBHI retains the right to originate or purchase mortgage loans secured by Condominium Units from any of LBHI's affiliates or any third party other than Americor ("Third Party Loans"), provided that in the event Americor submits to LBHI loan applications, credit information and other data ("Loan

Packages”) with respect to Residential Loans substantially similar to Third Party Loans, LBHI must review such Loan Packages for approval in the order that they are received by LBHI.

***Origination of
Residential Loans***

Americor shall use commercially reasonable efforts to originate Residential Loans in accordance with the terms of the Purchase Agreement for so long as LBHI has not provided Americor 30 days prior notice that it no longer intends to purchase such Residential Loans.

***Purchase Price of
Residential Loans***

On the date Americor closes each Residential Loan that has been approved by LBHI for purchase, LBHI shall purchase such Residential Loan at a purchase price equal to the sum of:

- (i) the outstanding principal balance of such Residential Loan;
- (ii) the accrued and unpaid interest on such Residential Loan;
- and
- (iii) a premium (the “Premium”) equal to the amount remaining, if any, after deducting (A) an origination fee paid by the individual obligor who desires to purchase a Condominium Unit with respect to such Residential Loan equal to 1% of the principal amount of the Residential Loan from (B) an amount equal to 1% of the outstanding principal amount of the Loan.

LBHI agrees to advance the purchase price for Residential Loans to Americor on the date of the closing of such Loans.

***Indemnification by
LBHI***

In the event that (i) Americor proposes to sell to LBHI Residential Loan(s) that meet LBHI’s underwriting requirements and conform to the terms of the Purchase Agreement, (ii) such Residential Loan(s) have been approved for purchase by LBHI in writing, (iii) Americor has complied with each of the terms, covenants and conditions of the Purchase Agreement for the sale of such Residential Loan(s), and (iv) Americor has tendered such Residential Loan(s) for purchase by LBHI, but LBHI fails to purchase such Residential Loan(s), LBHI shall indemnify and hold Americor harmless from and against any claims, damages, losses or reasonable costs and expenses arising out of LBHI’s failure to purchase such Residential Loan(s).

***Indemnification by
Americor***

Americor will indemnify and hold LBHI and each of LBHI’s direct and indirect subsidiaries and affiliates harmless from and

against any and all claims, losses, liabilities, obligations, etc. arising out of, under, in connection with, or related in any manner to: (i) any act or omission of Americor or any employee or agent of Americor, (ii) Americor's failure to perform any of its obligations hereunder, or (iii) the falsity, incorrectness or incompleteness of any representation or warranty made by Americor in the Purchase Agreement.

Release of Servicing

Each Residential Loan shall be sold to LBHI on a "servicing released" basis, meaning that Americor shall release, transfer and assign to LBHI all right, title and interest in and to the Residential Loan, including, without limitation, any right to provide mortgage servicing in connection therewith.

Repurchase of Residential Loans

Americor shall, within 10 business days, unless otherwise mutually agreed upon by LBHI and Americor but not to exceed an additional 20 days, of LBHI's written request, repurchase from LBHI any Residential Loan sold to LBHI if any warranty or representation made by Americor about the Residential Loan is untrue and such impairs the value of the Residential Loan, or if Americor has otherwise breached the Purchase Agreement in whole or in part with regard to any Residential Loan that impair the value of such Residential Loan, or if Americor has failed to deliver any Residential Loan document requested by LBHI or required by the Purchase Agreement that impairs the value of such Residential Loan. Americor shall pay to LBHI in immediately available funds an amount equal to such Residential Loan's then unpaid principal balance, plus accrued interest.

Termination

The Purchase Agreement may be terminated without cause at any time by either party after 60 days' prior written notice to the other party.

**Entry into the Purchase Agreement is An
Appropriate Exercise of LBHI's Business Judgment**

24. Ample authority exists for approval of the Purchase Agreement.

Section 363(b)(1) of the Bankruptcy Code provides, in relevant part, "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1).

25. As discussed above, entry into the Purchase Agreement involves the use of property of the estate in the ordinary course of business. Specifically, prior to the Commencement Date, LBHI regularly purchased residential mortgages from third parties. Nevertheless, out of an abundance of caution, the Debtors are seeking approval of the Court under section 363(b)(1) of the Bankruptcy Code to the extent LBHI's use of the property of its estate in connection with the Purchase Agreement is other than in the ordinary course of business.

26. While section 363 of the Bankruptcy Code does not set forth a standard for determining when it is appropriate for a court to authorize the sale, disposition or other use of a debtor's assets, courts in the Second Circuit and others, in applying this section, have required that it be based upon the sound business judgment of the debtor. See In re Chateaugay Corp., 973 F.2d 141 (2d Cir. 1992) (holding that a judge reviewing a section 363(b) application must find from the evidence presented a good business reason to grant such application); Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1071 (2d Cir. 1983) (same).

27. The Debtors have determined, in the sound exercise of their business judgment, that entry into the Purchase Agreement and the purchase of the Residential Loans is in the best interests of their estates and creditors. The Purchase Agreement allows LBHI to make available financing for potential purchasers of the Condominium Units. This increased availability of financing increases the likelihood that the Condominium Units will be sold and that proceeds of sales will be available for the repayment of the Construction Loans made by LB Carillon, a subsidiary of LBHI and asset of LBHI's estate. The repayment of the Construction Loans will in turn allow the

Mezzanine Borrower to use further proceeds of sale made available by the Residential Loans to repay LBHI's subordinated Mezzanine Loan and thereby enhance the value of LBHI's estate.

28. The Debtors believe that the terms set forth in the Purchase Agreement are fair and reasonable under the circumstances. The Purchase Agreement is the product of protracted, arms' length negotiations between LBHI and Americor. Under the Purchase Agreement, LBHI may still purchase Residential Loans from third party originators. In return for purchasing the Residential Loans from Americor for a price equal to their outstanding purchase price and unpaid accrued interest, plus the Premium of up to 1% of the outstanding principal amount, Americor will facilitate the availability of financing to potential purchasers of the Condominium Units, which will ultimately increase the likelihood that the sale proceeds from such sales will be used to pay down the Loans.

29. On the other hand, absent LBHI's entry into the Purchase Agreement, it will be more difficult for purchasers to close sales of the Condominium Units, and by extension, for LB Carillon or LBHI to realize any return, let alone prevent losses, on the Loans. If potential purchasers of the Condominium Units, including those who have entered into Existing Contracts are unable to secure acceptable financing, it is very likely that most, if not all of them will default on their Existing Contracts, and as a result of such default, cause the Borrowers to default under the Loans. As discussed above, in the event the Borrowers default under the Loans, it will be difficult for LBHI and LB Carillon to foreclose on the collateral securing such loans and, given the current state of the south Florida residential real estate market, it is unlikely that the full net

proceeds of a foreclosure would be sufficient to recoup the principal, interest and other expenses payable under the Loans. Instead, the Debtors would likely encounter the very same problems facing the Borrowers, including the difficulty of selling Condominium Units and of potential buyers under Existing Contracts to secure residential mortgage loans. As a result, unless LBHI modifies the Loan Documents, it will be difficult for LBHI to receive repayment for the outstanding principal amount and unpaid, accrued interest under the Loan.

30. Moreover, the failure of the South Borrower and the North Borrower to repay their indebtedness under the Construction Loans will also impede LB Carillon's ability to repay the Fortress Loan, which could have the ultimate effect of causing Fortress to foreclose on the valuable collateral securing the Fortress Loan. Thus, the benefit yielded by the Purchase Agreement to the Debtors' estates and creditors far outweighs any burden to the Debtors' estates arising from LBHI's obligation to purchase the Residential Loans. The Debtors have thoroughly discussed and vetted the Purchase Agreement with the Creditors' Committee and its advisors. The Debtors have been advised that the Creditors' Committee fully supports the Purchase Agreement and the transactions described herein.

31. The Purchase Agreement will increase the likelihood that the Debtors and their estates realize full repayment of the Loans that LBHI and its subsidiary, LB Carillon, have made to the Borrowers. Accordingly, in light of the undeniable benefits of the relief requested herein to the Debtors and their reorganization, the Debtors clearly have exercised sound business judgment, and approval of the Purchase Agreement is in the best interests of the Debtors' estates and their creditors.

Notice

32. No trustee has been appointed in these chapter 11 cases. The Debtors have served notice of this Motion in accordance with the procedures set forth in the amended order entered on February 13, 2009 governing case management and administrative procedures for these cases [Docket No. 2837] on (i) the U.S. Trustee; (ii) the attorneys for the Creditors' Committee; (iii) the Securities and Exchange Commission; (iv) the Internal Revenue Service; (v) the United States Attorney for the Southern District of New York; (vi) the attorneys for Americor; and (vii) all parties who have requested notice in these chapter 11 cases. The Debtors submit that no other or further notice need be provided.

33. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE the Debtors respectfully request that the Court grant the relief requested herein and such other and further relief as it deems just and proper.

NOW, THEREFORE, in consideration of the mutual promises, covenants and undertakings hereinafter provided, Seller and Buyer agree as follows:

SECTION 1. LOAN SUBMISSION. Seller shall submit to Buyer loan applications, credit information and other data ("Loan Packages") for Loans that Seller has determined, and represents to Buyer, satisfy: (i) the terms of this Agreement, and (ii) the sales criteria agreed to by the Buyer and Seller from time to time, including, without limitation, the Underwriting Score Card and the Product Matrix which are both a part of the Sales Criteria agreed to by the Buyer and the Seller from time to time (the Underwriting Score Card, the Product Matrix and the other underwriting criteria agreed to by Buyer and Seller from time to time are hereinafter sometimes referred to collectively as the "Sales Criteria"). The initial Sales Criteria agreed to by Seller and Buyer are attached to this

Agreement as Exhibit C and constitute the currently approved standards for underwriting potential borrowers and the types of loans that may be offered to such borrowers based upon the various factors set forth in such Sales Criteria. In the event of a discrepancy between the provisions of this Agreement and the Sales Criteria, the provisions of this Agreement shall control. Seller shall furnish to Buyer at Seller's sole expense such credit, financial, and other information concerning potential borrower that Buyer may require in determining for its own account whether or not such Obligor and the Loan Package to be offered is acceptable to Buyer in its sole and absolute discretion. Notwithstanding the foregoing, it is the intention of Seller that Loans will be made available to Obligors pursuant to this Agreement and that such Loans that meet the requirements set forth in this Agreement and the Sales Criteria will be made available to Buyer for purchase pursuant to the terms of this Agreement until such time as Buyer shall provide Seller thirty (30) days prior notice that Buyer will thereafter discontinue purchasing Loans from Seller pursuant to the terms of this Agreement.

SECTION 2. PURCHASE AND SALE OF LOANS. Seller shall sell to Buyer, and Buyer shall purchase from Seller, all Loans which (i) have been originated by Seller, (ii) meet the requirements of this Agreement and the Sales Criteria, (iii) have been approved for purchase by Buyer in accordance with the terms of this Agreement, prior to the date sixty (60) days after the date that Buyer delivers notice to Seller that Buyer will discontinue purchasing Loans from Seller pursuant to the terms of this Agreement, and (iv) are closed, in accordance with the terms of this Agreement within thirty (30) days after the date the Buyer provides written notice to Seller that Buyer has so approved such Loan for purchase. Seller may offer to sell a Loan, or Loans, to Buyer from time to time by submitting to Buyer a loan list or spreadsheet of potential Loans in a format acceptable to Buyer that sets forth such Loan or Loans and their criteria as applied to the Sales Criteria. As agreed to herein, Buyer's approval of a Loan for purchase shall mean Buyer's approval of a Loan Package relating to a proposed Loan to be made by Seller to the corresponding Obligor, which approval means Buyer is, subject to the terms of this Agreement, obligated for a period of thirty (30) days after the date Buyer delivers written notice to Seller of such approval, to purchase the Loan made pursuant thereto at closing of the Loan transaction unless Buyer subsequently reasonably determines that such Loan does not satisfy the requirements set forth in this Agreement, the standards set forth in the Underwriting Score Card and/or does not otherwise conform to the Sales Criteria. Neither party shall be obligated to sell or purchase (as the case may be) any Loan, unless and until both Buyer and Seller have approved the sale of such Loan in accordance with the terms of this Agreement. The rights granted to Seller under this Agreement shall be non-exclusive. Buyer shall have the right, from time to time, in its sole and absolute discretion, to originate, or to purchase mortgage from any Buyer affiliate or any third party, loans secured by residential condominium units located within the condominium project commonly known as Canyon Ranch Living Miami Beach Condominiums; provided, however, that in the event that Loan Packages with respect to substantially similar proposed Loans are submitted to Buyer both from Seller and from such Buyer affiliate or third party originator, such Loan Packages shall be reviewed by Buyer for approval in the order that such complete Loan Packages are received by the Buyer.

SECTION 3. ORIGINATION OF LOANS. Seller shall use commercially reasonable efforts to originate Loans in accordance with the terms of this Agreement and the Sales Criteria from any potential Obligor who would be a purchaser of a condominium unit in the Mortgaged Property for so long as Buyer has not provided Seller thirty (30) days prior notice that it no longer intends to purchase such Loans. All material documents executed and/or delivered in connection with the offering or solicitation of potential Loans or otherwise evidencing, governing, securing or otherwise executed and/or delivered in connection with any such Loans shall be in accordance with the Sales Criteria and shall be subject to the prior written approval of the Buyer except those documents prepared in accordance with FNMA or FHMLC Guidelines which are to be approved by Buyer in advance. Seller shall deliver all such documentation to Buyer at least fifteen (15) days prior to its intended use of such documents, and unless Buyer shall otherwise object, the documents shall be deemed approved by Buyer after such fifteen day period so long as they meet the terms of this Agreement and the Sales Criteria and comply with applicable state and federal laws and regulations.

SECTION 4. THE SALES CRITERIA. Buyer and Seller agree to comply with all terms, procedures and provisions of the Sales Criteria. The Sales Criteria, which consist of Underwriting Score Card, Product Matrix and the other underwriting criteria as determined by Buyer from time to time, set forth the criteria upon which Seller will offer Loans to potential Obligors and the primary criteria for loans that meet Buyer's requirements with respect to the purchase of each Loan by Buyer.

SECTION 5. CHANGES TO THE SALES CRITERIA. The Sales Criteria are subject to change from time to time as determined by Buyer; provided however, that until Seller shall have received written notice from Buyer of any such change to the Sales Criteria, the previous Sales Criteria shall remain operative and in full force and effect.

SECTION 6. PROCEDURAL MATTERS. Seller shall process and close each Loan in its own name. Notwithstanding anything to the contrary contained herein, prior to the sale of each Loan, such Loan must be pre-qualified and approved for purchase by Buyer in writing, and closed and delivered in accordance with the terms hereof and the Sales Criteria. On the date Seller closes each Loan that has been approved by Buyer for purchase, Buyer shall purchase such Loan in accordance with the terms hereof at a purchase price equal to the sum of (i) the outstanding principal balance of such Loan, (ii) the accrued and unpaid interest on such Loan, and (iii) a premium (the "Premium") equal to the amount remaining, if any, after deducting (A) the Origination Fee (as hereinafter defined) paid with respect to such Loan, from (B) an amount equal to one percent (1%) of the outstanding principal amount of the Loan. Seller agrees that it shall use all reasonable efforts to close each Loan that has been pre-qualified and approved by Buyer. To the extent Buyer has agreed to purchase, and Seller has agreed to sell, any Loan in accordance with the terms hereof and the Sales Criteria, Buyer shall advance the purchase price for such Loan to Seller on the date of the closing of such Loan between Seller and the Obligor. Upon the closing of a Loan, Seller shall immediately transfer such Loan to Buyer in accordance with the terms and conditions set forth herein. The transfer of funds described in this Section shall be subject to the terms of a master escrow agreement to be entered into by and among Buyer, Seller and a third party title company in form and substance acceptable to each of the

foregoing parties in each of such party's sole and absolute discretion. The third party title company shall be selected by the mutual agreement of Buyer and Seller in each party's sole and absolute discretion.

SECTION 7. UNDERWRITING OF LOANS. Seller and Buyer agree that Seller shall offer loans to potential Obligor only in accordance with the terms and conditions of this Agreement and the Sales Criteria and that potential Obligor shall be underwritten by Seller to ensure that they meet the requirements of this Agreement and the Sales Criteria, including, without limitation, the Underwriting Score Card that is a part of the Sales Criteria prior to submission of a proposed Loan to Buyer. So long as Buyer has not notified Seller that it no longer intends to purchase Loans from Seller as provided for herein above, Buyer or its agent shall have an obligation to review, underwrite and approve or disapprove those Loans that Seller presents to Buyer and that Seller proposes to sell to Buyer pursuant to this Agreement to the extent that such Loans meet the Sales Criteria. Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, Buyer shall have no obligation to purchase any proposed Loan which, in its sole discretion, does not meet Buyer's requirements set forth in this Agreement, the standards set forth in the Underwriting Score Card and/or does not otherwise conform to the Sales Criteria. In making its determination, Buyer expressly disclaims any conclusions Seller may draw as to the general quality or acceptability of any Loan. Buyer shall notify Seller of Buyer's decision as to whether to purchase any Loan as presented to Buyer by Seller in accordance with the practices and procedures established by Seller and Buyer and/or as set forth in the Sales Criteria within ten (10) days of delivery of a complete Loan Package for such Loan from Seller to Buyer for approval. Buyer retains sole and absolute discretion to refuse to purchase any Loan that does not comply with the terms and conditions of this Agreement, the Sales Criteria, Buyer's underwriting requirements or for any reason whatsoever (except any reason prohibited by law); provided however, that in the event that (i) the Seller proposes to sell to Buyer Loan(s) that meet the Buyer's underwriting requirements and conform to the terms of this Agreement and the Sales Criteria, (ii) such Loan(s) have been approved for purchase by Buyer in writing as provided in this Section 7, (iii) Seller has complied with each of the terms, covenants and conditions of this Agreement for the sale of such Loan(s), and (iv) Seller has tendered such Loan(s) for purchase by Buyer in strict accordance with the terms of this Agreement, but the Buyer fails to purchase such Loan(s) in accordance with the terms of this Agreement, Buyer shall indemnify and hold the Seller harmless from and against any claims, damages, losses (excluding lost profits, but providing for any lost Origination Fee) or reasonable costs and expenses arising out of the Buyer's failure to purchase such Loan(s) to the extent provided in this Agreement. Without limiting the provisions of the preceding sentence, in the event that an action or proceeding is instituted by a third party with respect to any claim covered by the preceding sentence (a "Covered Claim"), Seller shall be entitled to employ attorneys selected by Seller with the approval of the Buyer, which approval shall not be unreasonably withheld or delayed, to appear and defend the action or proceeding at Buyer's sole expense, and to compromise or settle any such action or proceeding on such terms as Seller may reasonably deem appropriate; provided, however, that any such compromise or settlement shall not include any admission of liability or wrongdoing by Buyer without Buyer's prior written consent.

In the event the Seller does not wish to defend such Covered Claim pursuant to the preceding paragraph, the Seller shall promptly notify Buyer of such Covered Claim and Buyer must assume the defense of such Covered Claim with attorneys reasonably acceptable to Seller. Buyer shall not be responsible for Seller's attorney fees incurred after the Buyer assumes the defense of such Covered Claim unless the Seller and Buyer have claims adverse to each other, in which case the prevailing party's legal fees will be paid by the losing party. The failure of the Seller to notify the Buyer of such Covered Claim shall not relieve the Buyer of any liability that the Buyer may have with respect to such Covered Claim except to the extent the Buyer demonstrates that the defense of such Covered Claim is materially prejudiced by such failure. The Seller shall have the right to reject any settlement proposed by the Buyer in connection with Buyer's defense of such Covered Claim; provided, however, that if such settlement is (i) within the financial means of the Buyer, (ii) without cost or liability to the Seller, (iii) includes a full general release of the Seller from any liability in form and content reasonably satisfactory to Seller, and (iv) does not otherwise materially and adversely affect the Seller, the Seller waives its right to reject such settlement offer. In the event that the Buyer refuses or fails to undertake the defense of any such Covered Claim within ten (10) days after notice of such Covered Claim has been given to the Buyer by the Seller, or at any time the Buyer shall otherwise fail to diligently defend or pursue settlement of such Covered Claim or if such Covered Claim could result in damages in excess of the amount that the Seller could reasonably expect to be recoverable from the Buyer, then the Seller shall have the right, but not the obligation, to undertake the defense, compromise or settlement of such Covered Claim with counsel of its own choosing at the sole cost and expense of the Buyer.

Upon determination of the amount of a Covered Claim, whether by agreement between the Buyer and the Seller, by an arbitration award, any other final adjudication or otherwise, the Buyer shall pay to the Seller the amount of such Covered Claim within thirty (30) days of the date such amount is determined. Thereafter, the amount of such Covered Claim shall bear interest at a rate equal to ten percent (10%) per annum.

SECTION 8. RELEASE OF SERVICING. Each Loan shall be sold to Buyer on a "servicing released" basis, meaning that Seller shall release, transfer and assign to Buyer all right, title and interest in and to the Loan, including, without limitation, any right to provide mortgage servicing in connection therewith.

SECTION 9. REPRESENTATIONS AND WARRANTIES OF SELLER. Seller hereby makes the following representations and warranties to Buyer. Such representations and warranties are deemed to be made both as of the date hereof, and as of each and every date Seller sells a Loan to Buyer (each such date, a "Settlement Date"), and Buyer shall be deemed to have relied on the following representations and warranties.

9.01 Seller Representations and Warranties. Seller makes the following representations and warranties:

(1) Organization. Seller is duly organized, validly existing and in good standing under laws of its state of organization and the State of Florida, and has the power to own its assets and to transact the business in which it is presently

engaged. Seller is duly qualified and in good standing under the laws of each jurisdiction where its ownership or lease of property or the conduct of its business requires such qualification, including, without limitation, its state of organization and the State of Florida, and where the failure to be so qualified would have a material adverse affect on the business and assets of Seller, taken as a whole. Seller has and shall continue to maintain in full force and effect all licenses, registrations and certifications in all appropriate jurisdictions to conduct all activities performed with respect to the making and selling of Loans.

(2) Authority. Seller has the power, authority and legal right to make, deliver and perform this Agreement and all of the transactions contemplated hereunder, and has taken all necessary action to authorize the execution, delivery and performance of this Agreement. No consent of any other party and no consent, license, approval or authorization of, or registration with, any governmental authority, bureau or agency is required in connection with the execution, delivery, performance, validity or enforceability of this Agreement or the sale of the Loans or if required same has been obtained and remains in effect.

(3) No Violation. The execution, delivery and performance of this Agreement will not violate any provision of any existing laws or regulation, or any order or decree of any court, or Seller's organizational documents or of any mortgage, indenture, contract or other agreement to which Seller is a party or by which Seller and any of its property or assets may be bound.

(4) Litigation. No litigation or administrative proceedings of or before any court, tribunal or governmental body is presently pending, or, to the knowledge of Seller, threatened against Seller or any of its properties, which, if adversely determined, would have a material adverse effect on the business, assets, financial condition of Seller or Seller's ability to perform its obligations under this Agreement.

(5) True and Correct. Neither this Agreement nor any statement, report or other document furnished or to be furnished pursuant to this Agreement or in connection with the transactions contemplated hereby contains any untrue statement of fact or omits to state a fact necessary to make the statements contained therein not misleading.

(6) Validity. This Agreement has been duly authorized and executed by Seller and is, or upon delivery will be, a legal, valid and binding obligation of Seller enforceable in accordance with its terms, subject only to applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting creditor rights generally.

(7) Commissions to Third Parties. Seller has not dealt with any broker or agent or other Person who might be entitled to a fee, commission or compensation in connection with the sale of Loans by Seller to Buyer other than the Buyer.

(8) No Common Ownership. Seller, any title company, any closing agent and any appraiser shall each be independent parties and shall have no common ownership, employees, management, directors or any other relationship or affiliation unless previously disclosed to and approved by Buyer in writing. The Obligor(s) shall also be independent of Seller, any title company, any closing agent and any appraiser and shall not be affiliated with Seller, any title company, any closing agent or any appraiser in any way.

(9) Solvency. Seller is solvent, has not committed any act of bankruptcy and the execution and consummation of this Agreement will not render Seller insolvent. Upon payment by Buyer of the purchase price of the Loan, no creditor or stockholder of Seller or any other person will have any claim against Buyer on the Loan. The consideration received by Seller upon the sale of the Loans will constitute fair consideration and reasonably equivalent value for the Loans. The sale of the Loans is not undertaken with the intent to hinder, delay or defraud any of the Seller's creditors.

9.02 Seller Loan Representations, Warranties and Covenants. Seller makes the following representations, warranties and covenants with respect to each Loan which shall be deemed reaffirmed at the closing of each Loan and simultaneous sale to the Buyer:

(1) Loan Meets Requirements. The Loan shall conform in all respects to all the applicable requirements contained in the Sales Criteria and this Agreement. Upon purchase of a Loan by Buyer, which purchase shall take place at the settlement table of the Loan, such Loan will be fully funded and shall be fully amortizing with no negative amortization.

(2) Seller Has Full Right to Sell and Assign. Seller is the sole owner of record and holder of the Loan and has full right and authority to sell and assign it to Buyer. In addition, Seller's right to sell or assign is not subject to any other party's interest or to an agreement with any other party.

(3) Seller's Lien on Property. Upon funding of the Loan by Buyer at the settlement table, the Mortgage securing the Loan is a valid, subsisting and enforceable first priority lien on the Mortgaged Property, free and clear of all encumbrances and liens having priority over it, except for liens for real estate taxes and liens for special assessments that are not yet due and payable and has been properly filed, recorded or otherwise perfected in accordance with applicable law. No instruments other than those delivered therewith are required under applicable law to evidence the indebtedness represented by the Loan or to perfect a security interest in the collateral for the Loan. None of the Mortgage Property or any other collateral securing the Loan have been seized by a governmental agency. The existence of a valid and enforceable title insurance policy insuring such position shall suffice for purposes of meeting the requirements of this subsection.

(4) Documents are Valid and Enforceable. The Note, Mortgage and any security agreements, chattel mortgages or equivalent documents relating to it have been properly signed, are valid and their terms may be enforced by Buyer, its successors and assigns, subject only to bankruptcy laws, Servicemembers' Civil Relief Act, laws relating to administering descendants' estates, and general principles of equity. The Note and the Mortgage and every other agreement, if any, executed by the Obligor(s) in connection with the Loan are genuine, and each is the legal, valid and binding obligation of the maker thereof enforceable in accordance with its terms. All parties to the Note, the Mortgage and each other such related agreement have legal capacity to enter into the Loan and to execute and deliver the Note, the Mortgage and each other related agreement, and the Note, the Mortgage and each other such related agreement have been duly and properly executed by the respective Obligor(s). Seller had reviewed all of the documents constituting the Loan file and has made such inquiries as it deems necessary to make and confirm the accuracy of the representations set forth therein. All recording or other fees required to be paid in connection with the filing or recording of any document entered into in connection with the Loan have been paid in full by the Seller and/or the Obligor in accordance with the terms of the Loan. Notwithstanding the foregoing, it is agreed that the use of FNMA and/or FHLMC approved form of loan documents shall be deemed to meet the requirements of this subsection so long as they meet the other requirements of this Agreement.

(5) Mortgage Property Not Subject to Liens. The Mortgaged Property is free and clear of all mechanics' liens, materialmen's liens or similar types of liens. There are no rights outstanding that could result in any of such liens being imposed on the Mortgaged Property.

(6) Title Insurance. There is a mortgage title insurance policy on the Mortgaged Property. The title insurance policy is on a current ALTA form (or other generally acceptable form) issued by an insurance company which, along with the policy itself, meets the requirements set forth in the Sales Criteria. The title insurance insures Seller and its successors and assigns as holding a first priority lien on the Mortgaged Property.

(7) No Modification or Subordination of Mortgage. Seller has not done any of the following: (a) materially modified the Note or Mortgage; (b) satisfied or cancelled the Note or Mortgage in whole or in part; (c) subordinated the Mortgage in whole or in part; (d) released the Mortgaged Property in whole or in part from the Mortgage lien; or (e) signed any release, cancellation, modification or satisfaction of the Note or Mortgage.

(8) Mortgage in Good Standing. To the best of Seller's knowledge after due inquiry, there is no default, breach, violation, or event of default or acceleration existing under the Note or Mortgage, nor has there occurred any event that, with the passage of time or the giving of notice or both, could give rise to such default, breach, violation or event of default and/or acceleration. Seller has not waived

any default, breach, violation or event of default or acceleration under the Note or Mortgage and all of the following that have become due and payable have been paid or an escrow of funds sufficient to pay them has been established: (a) taxes; (b) government assessments; (c) insurance premiums; (d) water, sewer and municipal charges; (e) leasehold payments; and (f) ground rents. No collateral purporting to secure the Loan has been repossessed or disposed of or foreclosed against by Seller or any other person from the Obligor(s).

(9) Advances. Seller has not made, or knowingly received from others, any direct or indirect advance of funds in connection with the Loan on behalf of the Obligor, except as provided in the Sales Criteria. This warranty does not cover payment of interest from the earlier of: (a) the date of the Note; or (b) the date on which the Mortgage proceeds were disbursed; or (c) the date one month before the first installment of principal and interest on the Note is due.

(10) Property Intact. To the best of Seller's knowledge after due inquiry, the Mortgaged Property is not damaged by waste, fire, earthquake or earth movement, wind, flood, tornado or other cause of loss. There are no proceedings pending for the partial or total condemnation of the Mortgaged Property.

(11) Improvements. The underlying property secured by the mortgage constitutes an individual, residential condominium unit and all appurtenant rights as permitted in the Sales Criteria and as reflected in the credit files and other materials submitted to Buyer. The Seller will perform due diligence in accordance with FNMA/FHLMC Guidelines to confirm the underlying condominium unit is subject to a certificate of occupancy or similar use and occupancy certificate allowing the borrower to use and/or occupy the property. To the best of Seller's knowledge after due inquiry, (i) the Mortgaged Property is free of damage and waste including but not limited to hazardous materials and there is no proceeding pending for the total or partial condemnation thereof, (ii) any improvements that are included in the appraised value of the Mortgaged Property are totally within the property's boundaries and building restriction lines, (iii) no improvements on any adjoining property nor any other condominium unit encroaches on the Mortgaged Property, and (iv) any and all home improvement goods and services to be provided or performed under a Loan have been provided in workmanlike manner, and in accordance with applicable regulatory codes, and to the Obligor(s) satisfaction.

(12) Note Not Usurious. The Note is not usurious and either meets or is exempt from any usury laws or regulations.

(13) Compliance with Consumer Protection Laws. Seller, and any originator if not the Seller, has complied with all applicable federal and state laws, regulations and other requirements including, but not limited to, the Real Estate Settlement Procedures Act and Regulation X; the Federal Fair Housing Act; the National Flood Insurance Act; the Equal Credit Opportunity Act and Regulation B; the Truth in Lending Act and Regulation Z; the Fair Credit Reporting Act; the Fair

Debt Collection Practices Act; the Home Mortgage Disclosure Act and Regulation C; the Gramm-Leach-Bliley Act and Regulation P; and all Florida laws relating to mortgage brokerage and mortgage lending activities (including, without limitation, Fla. Stat. 494.001 et seq.). Seller further warrants compliance with the terms of Buyer's "Fair Lending Policy Statement," attached as Exhibit B of this Agreement..

(14) Property is Insured. A casualty insurance replacement policy on the Mortgaged Property is in effect and meets the requirements set forth in the Sales Criteria. The policy is written by an insurance company which meets the requirements set forth in the Sales Criteria and provides fire and extended coverages for an amount at least equal to the amount required by the Sales Criteria.

(15) Loan Marketability. Seller knows of nothing involving the Loan, the Mortgaged Property, the Obligor or the Obligor's credit standing that can reasonably be expected to: (a) cause the Loan to become delinquent; or (b) adversely affect the Loan's value.

(16) Default. To the best of Seller's knowledge after due inquiry, no default exists under the Loan. The Loan is not in the possession of any attorney or collection agency for collection nor is it the subject of any actual or threatened bankruptcy proceeding or other litigation.

(17) Counterclaim. To the best of Seller's knowledge after due inquiry, the Obligor has not asserted any defense, set-off, right of rescission or counterclaim, either at law or in equity, in connection with the Loan.

(18) Genuineness of Signatures. All Loan documents are genuine and contain genuine signatures. All Loan documents that Buyer requires to be original documents are original documents. All certified copies of original documents are true copies and meet the applicable requirements and specifications of this Agreement, the Sales Criteria and any other requirements that Buyer has reasonably made of Seller.

(19) Full Disbursement of Proceeds. The Loan has been closed and, subject to table funding by the Buyer at the settlement table, the proceeds of the Loan have been fully disbursed and there is no requirement for future advances thereunder, and any and all requirements as to completion of any on-site improvement and as to any escrow funds therefore have been complied with other than any reserves set aside for punch list items. All costs, fees and expenses incurred in making or closing the Loan and the recording of the Mortgage were paid, and the Obligor is not entitled to any refund of any amounts paid or due under the Note or Mortgage.

(20) Loan Fees. All costs, fees, expenses and charges payable directly or indirectly to Seller or any affiliate thereof in connection with the origination, making or closing of the Loan (collectively, the "Loan Closing Fees") have

complied with the Sales Criteria and have been paid in full. In any event, without the prior written consent of the Buyer in each instance, the Loan Closing Fees with respect to any Loan do not exceed the sum of (i) an origination fee (the "Origination Fee") equal to one percent (1.0%) of the principal amount of the Loan, (ii) a documentation fee of \$250, (iii) a loan underwriting fee of \$350, and (iv) a processing fee of \$372. Neither Buyer nor any Indemnified Party, as hereinafter defined, shall have any obligation for the payment of any Loan Closing Fees.

(21) Appraisals. Upon the written request of the Buyer, Seller shall cause to be delivered to Buyer, at the Obligor's sole cost and expense, an appraisal of each Mortgaged Property signed prior to the approval of the applicable Mortgage application by a qualified appraiser, who (i) is licensed in the state where the Mortgaged Property is located (ii) is acceptable to Buyer, (iii) has, no interest, direct or indirect, in the Mortgaged Property or in any loan on the security thereof, and (iv) does not receive compensation that is affected by the approval or disapproval of the Loan. The appraisal shall be completed in compliance with the Uniform Standards of Profession Appraisal Practice, and all applicable federal and state laws and regulations, including FIRREA. There have been no arrangements or agreements between Seller and the appraiser identified in the Federal Register by the Flood Emergency Management Agency as having flood hazards. The Mortgaged Property is covered by flood insurance which shall be in an amount not less than the least of (a) the outstanding principal balance of the Loan, but not less than the minimum amount required to fully compensate for damage or loss in the event of partial loss, on a replacement cost basis, (b) the full insurable value of the Mortgaged Property, or (c) the maximum amount of insurance available under the National Flood Insurance Act of 1968, as amended.

(22) Obligors are Real. To the best of Seller's knowledge after due inquiry, the Obligor(s) on the Loan are the true and only Obligors thereon, are the real parties in interest thereon and are not straw men, nominees or accommodation parties or representatives of any other person, group or organization as to all or any part of the credit extended thereunder.

(23) Benefits to Seller. Neither Seller nor any stockholder, director, officer, partner, employee or agent of Seller has received any benefit, consideration or value, other than (a) the increased business to Seller and its affiliated entities represented by the Loan or (b) a prepaid finance charge disclosed to the Obligor(s) on the Loan or (c) insurance commissions from time to time heretofore paid from any Obligor(s) or anyone else in connection with the Loan or (d) the compensation to be paid to Seller by Buyer under this Agreement.

(24) No Third Party Payments. No payments made on the Loan were made directly or indirectly by any of the Seller, the stockholders, officers, directors, partners, employees or agents of Seller or by an assignor of the Loan or merchant who referred the Obligor(s) under the Loan. Neither Seller nor any such person or entity has made any agreement or reached any understanding with any

Obligor(s) for any variation of the interest rate, schedules of payment or other terms and conditions of the Loan. The Seller has not advanced funds, or induced, solicited or knowingly received any advance of funds from a party other than the owner of the Mortgaged Property subject to the Mortgage or an Obligor on such Loan, directly or indirectly, for the payment of any amount required under such Loan. There is no obligation on the part of the Seller or any other party to make payments on account of the Loan which are in addition to those made by the Obligor(s).

(25) Prior Payments Made. All payments required under the terms of the Loan to be made on or prior to the Settlement Date have been made; the Loan was not or is not the subject of a first payment default under the Note.

(26) Transfer of Mortgage Loans. The assignment of mortgage with respect to each Loan is in recordable form and is acceptable for recording under the laws of the jurisdiction in which the Mortgaged Property is located. The transfer, assignment and conveyance of the Notes and the Mortgages by the Seller are not subject to the bulk transfer or similar statutory provisions in effect in any applicable jurisdiction.

(27) Collateral Occupied. To the best of Seller's knowledge after due inquiry, The collateral purporting to secure the Loan secures the Loan as of the date of transfer and is lawfully occupied as reflected in the credit files and other materials submitted to Buyer.

(28) Mortgage Remedies. The Mortgage contains customary and enforceable provisions, subject to applicable law, so as to render the rights and remedies of the holder thereof adequate for the realization against the Mortgaged Property of the benefits of the security provided thereby including, but not limited to, (a) by judicial or non-judicial foreclosure proceedings as may be authorized by law, and (b) the right, subject to any applicable federal restrictions, to call a default under the Mortgage and to accelerate the Mortgage indebtedness in the event the Mortgaged Property or a portion thereof is sold or transferred without the consent of the holder of the Mortgage. All persons who have or will have an ownership, homestead or dower interest in the Mortgaged Property have signed the Mortgage relating to such property if said signature is permitted by law.

(29) Servicemembers' Civil Relief Act. The Obligor(s) has not notified the Seller, and the Seller has no actual knowledge of, any relief requested by or allowed to the Obligor(s) under the federal Servicemembers' Civil Relief Act (f/k/a Soldiers' and Sailors' Civil Relief Act of 1940).

(30) No High Cost Loans. None of the Loans are classified as (a) "high cost" loans under the Home Ownership and Equity Protection Act of 1994 or (b) so called "high cost", "threshold," "covered," or "predatory" loans under any other applicable state, federal or local law.

(31) Authorization to Share Information. All loan files relating to Loans purchased by Buyer shall contain the authorization to share information described in the Sales Criteria signed by the Obligor(s). Seller also represents and warrants that it shall not forward any application or credit information of any Obligor(s) who does not authorize the sharing of information.

(32) No Tribal Law. The governing laws with respect to the origination, servicing and foreclosure of any Loan are the applicable provision of the laws of the state in which the collateral is located, or the laws of the United States, and not any tribal law, and no tribal court has exclusive jurisdiction of the same.

(33) Credit Report. Each credit report obtained in connection with the origination of a Loan was obtained from a major credit reporting agency, and was less than sixty (60) days old at the time of the closing of the related Loan.

(34) Obligor(s) Are Alive and Solvent. To the best of the Seller's knowledge after due inquiry, at the time of settlement, none of the Obligor(s) on such Loan is deceased and the Loan is not subject to any pending foreclosure, bankruptcy, insolvency, or reorganization proceeding, survey dispute, quiet title or adverse possession claims. The debt on the Loan has not been discharged in a previously pending bankruptcy action.

(35) Sale Transaction. Under generally accepted accounting principles the transfer of the Loans may be treated as a sale on the books and records of the Seller and the Seller has determined that the disposition of the Loans pursuant to this Agreement will be afforded sale treatment for tax and accounting purposes.

(36) USA PATRIOT Act. The Seller has complied with all applicable anti-money laundering laws and regulations, including without limitation the USA PATRIOT Act of 2001 (collectively, the "Anti-Money Laundering Laws") and maintains, and will maintain, sufficient information to identify the applicable Obligor for purposes of the Anti-Money Laundering Laws. The documents, instruments and agreements executed in connection with each of the Loans contain all provisions necessary to require the Obligors to provide any information necessary to allow Buyer or any subsequent holder of the Loan or any interest therein to comply with the requirements of the Anti-Money Laundering Laws.

(37) True Information. To the best of Seller's knowledge after due inquiry, all information and documents contained in a Loan file are genuine and the information contained in such documents is true, accurate and complete and such documents do not omit to state a fact necessary to make the statements contained therein not misleading.

(38) Sole Originator. Seller warrants that it is the sole originator of all Loans submitted to Buyer by Seller pursuant to this Agreement.

(39) Parties in Interest. All parties which have had any interest in the Loan, whether as mortgagee, assignee, pledge, mortgage broker or otherwise, are (or, during the period in which they held and disposed of such interest, were) (1) in compliance with any and all applicable licensing requirements of the laws of the state wherein the Mortgage Property is located, and (2) organized under the laws of such state, or (3) qualified to do business in such state, or (4) federal savings and loan associations or national banks having principal offices in such state, or (5) not doing business in such state.

(40) No Fraud. No error, omission, negligence, misrepresentation, fraud, identity theft, or similar occurrence has taken place on the part of the Seller.

(41) These representations, warranties and covenants are made at and as of the time of origination, transfer, and conveyance of each Loan to Buyer, but Buyer's rights with respect to the breach of these representations, warranties and covenants shall continue after the purchase of the Loan by Buyer and after payment by Buyer of the purchase price for such Loan to Seller, and shall survive after any termination of this Agreement. These representations, warranties and covenants are for the benefit of Buyer as well as the benefit of Buyer's successors and assigns.

SECTION 10. INTERIM SERVICING. All Loans sold by Seller under this Agreement shall be sold on a servicing-released basis. Except as otherwise provided in this Agreement, as of the applicable Settlement Date, all rights, obligations, liabilities and responsibilities with respect to the servicing of such Loan shall pass to Buyer, and Seller shall be discharged from all liabilities arising from such servicing from and after the Settlement Date. Notwithstanding anything to the contrary contained in this Agreement, to the extent that the actual servicing of any Loan cannot be transferred from Seller to Buyer on the Settlement Date due to the requirements governing the timing of notice of transfer of servicing under RESPA, or other applicable laws, then Seller shall immediately transfer the closed Loan to a sub-servicer of Buyer's choice (the "Interim Servicer") pursuant to the terms and conditions of this Section. Interim Servicer shall service such Mortgage Loan in compliance with reasonable and customary servicing practices and procedures of prudent loan servicers that service mortgage loans similar to the Loans, and in compliance with all applicable law, from and after the Settlement Date until the date on which the servicing of the Loan is transferred from the Interim Servicer to another servicer (the "Servicing Transfer Date"); however, the Servicing Transfer Date shall be no later than twenty-five (25) days past each related Settlement Date, unless otherwise agreed upon by the Buyer and the Seller.

During the interim servicing period, neither Seller nor Interim Servicer shall take any action to compromise, renew, modify or alter the terms of a Loan or to commence any judicial or non-judicial action to collect a Loan without the prior written consent of Buyer. Any payments or monies received or held by Seller or Interim Servicer from or on behalf of an Obligor after the Servicing Transfer Date shall be held in trust by Seller and/or Interim Servicer, as the case may be, for the benefit of Buyer. Any payments or monies received by Seller or Interim Servicer

from or on behalf of an Obligor after the Servicing Transfer Date shall be delivered to Buyer with forty-eight (48) hours of receipt thereof.

Each party shall be responsible for compliance with Section 6 of RESPA and Section 3500, 21 of Regulation X thereto, as amended, regarding transfer of servicing to the extent applicable to such party, including the obligation of Buyer to send a transferee notice and Seller to send a transferor notice when required. For the purpose of complying with the information required by Section 6 of RESPA, Seller's address is 255 E. Brown Street, Suite 300, Birmingham, MI 48009; its toll-free telephone number is [888.LOAN.466]; Buyer's address is Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 46th Floor, New York, New York 10022 its toll-free telephone number is (866) 736-6614. Each party is responsible for notifying the other in writing in the event of any change in the foregoing information.

No later than five (5) days after each Settlement Date, Seller shall send to all Obligors and grantors, via first class mail, postage prepaid, a letter, the text and format of which shall have been pre-approved by Buyer, which shall advise Obligor that their Loan has been sold to Buyer. The letter shall contain such other information as Buyer may reasonably request.

Notwithstanding the foregoing, it is understood and agreed that Interim Servicing is not currently contemplated to occur pursuant to this Agreement.

SECTION 11. INDEMNIFICATION BY SELLER. Seller will indemnify and hold Buyer, each of Buyer's direct and indirect subsidiaries and affiliates, and the respective officers, directors, shareholders, partners, members, employees, agents, servants, counsel, representatives, affiliates, subsidiaries, participants, successors and assigns of any and all of the foregoing (collectively, the "Indemnified Parties") harmless from and against any and all claims, losses, liabilities, obligations, penalties, actions, causes of action, claims of usury, suits, controversies, damages (whether general, special or punitive), judgments, executions, claims and demands, costs and expenses, including, without, limitation, attorneys' fees and expenses (whether or not litigation is commenced), liens and indemnities of every kind and nature whatsoever ("Claims") arising out of, under, in connection with, or related in any manner to: (i) any act or omission of Seller or any employee or agent of Seller, (ii) Seller's failure to perform any of its obligations hereunder, or (iii) the falsity, incorrectness or incompleteness of any representation or warranty made by Seller herein. This indemnification shall include, but not be limited to, indemnification against Claims arising in connection with actions or proceedings instituted by or on behalf of (i) an Obligor with respect to any of the Loans, or (ii) any person prosecuting or defending any action or proceeding as a representative of or on behalf of a class or other interest group relating to the Loans, or (iii) any governmental instrumentality, body, or agency having jurisdiction under any applicable statute, rule, regulation, order or decree relating to the Loans.

Without limiting the provisions of the preceding paragraph, in the event that an action or proceeding is instituted by a third party with respect to a Claim, Buyer or the respective Indemnified Party shall be entitled to employ attorneys of its own selection to appear and defend the action or proceeding at Seller's sole expense, and to compromise or settle any such action or proceeding on such terms as Buyer or such Indemnified Party may reasonably deem appropriate;

provided, however, that any such compromise or settlement shall not include any admission of liability or wrongdoing by Seller without Seller's prior written consent.

In the event the Buyer or the respective Indemnified Party does not wish to defend such Claim pursuant to the preceding paragraph, the Buyer or such Indemnified Party shall promptly notify Seller of such Claim and Seller must assume the defense of such Claim with attorneys reasonably acceptable to Buyer or such other Indemnified Party. Seller shall not be responsible for such Indemnified Party's attorney fees incurred after the Seller assumes the defense of such Claim unless the respective Indemnified Party and Seller have claims adverse to each other, in which case the prevailing party's legal fees will be paid by the losing party. The failure of the Indemnified Party to notify the Seller of such Claim shall not relieve the Seller of any liability that the Seller may have with respect to such Claim except to the extent the Seller demonstrates that the defense of such Claim is materially prejudiced by such failure. The respective Indemnified Party shall have the right to reject any settlement proposed by the Seller in connection with Seller's defense of such Claim; provided, however, that if such settlement is (i) within the financial means of the Seller, (ii) without cost or liability to the Buyer, (iii) includes a full general release of the Buyer and each of the Indemnified Parties from any liability in form and content reasonably satisfactory to Buyer, and (iv) does not otherwise materially and adversely affect the Buyer or any of the other Indemnified Parties, the Buyer waives its right to reject such settlement offer. In the event that the Seller refuses or fails to undertake the defense of any such Claim within ten (10) days after notice of such Claim has been given to the Seller by an Indemnified Party, or at any time the Seller shall otherwise fail to diligently defend or pursue settlement of such Claim or if such Claim could result in damages in excess of the amount that the Indemnified Party could reasonably expect to be recoverable from the Seller, then the Buyer or any other Indemnified Party shall have the right, but not the obligation, to undertake the defense, compromise or settlement of such Claim with counsel of its own choosing at the sole cost and expense of the Seller.

Upon determination of the amount of a Claim, whether by agreement between the Seller and the applicable Indemnified Parties, by an arbitration award, any other final adjudication or otherwise, the Seller shall pay to each of the applicable Indemnified Parties the amount of such Claim within thirty (30) days of the date such amount is determined. Thereafter, the amount of such Claim shall bear interest at a rate equal to ten percent (10%) per annum.

SECTION 12. REPURCHASE OF LOANS. Seller shall, within ten (10) business days, unless otherwise mutually agreed upon by Buyer and Seller but not to exceed an additional twenty (20) days, of Buyer's written request, repurchase from Buyer any Loan sold to Buyer if any warranty or representation made by Seller about the Loan is untrue and such impairs the value of the Loan(s), or if Seller has otherwise breached this Agreement in whole or in part with regard to any Loan(s) that impair the value of such Loan(s), or if Seller has failed to deliver any Loan document requested by Buyer or required by this Agreement or the Sales Criteria that impairs the value of such Loan(s). Notwithstanding the foregoing, Seller is not a guarantor of the Loans and is obligated to repurchase only upon the occurrence of the events set forth in the preceding sentence. In the event of such repurchase, Buyer shall tender to Seller all Loan documents required to be repurchased pursuant to this provision, and said documents, where appropriate, shall be endorsed to Seller without recourse to Buyer. Contemporaneous with such tender, Seller shall pay to

Buyer in immediately available funds an amount equal to such Loan's then unpaid principal balance, plus accrued interest (the "Repurchase Price"). The Repurchase Price shall include (i) any reasonable costs and expenses incurred in connection with the transfer to the Seller of the servicing rights related to the repurchased Loan, plus (ii) the amount of any unreimbursed servicing advances made by the servicer of the repurchased Loan, plus (iii) any reasonable costs and damages, excluding lost profits, incurred by Buyer or any assignee of Buyer in connection with any violation of any representation or warranty of the repurchased Mortgage Loan by the Seller. It is understood and agreed by the parties that the repurchase obligations hereunder are in addition to, and not in lieu of, all other remedies available in this Agreement or by law. Buyer shall have the right to set off of any amounts owed to Buyer hereunder or otherwise by Seller against any and all amounts owed to Seller by Buyer.

SECTION 13. TERMINATION. This Agreement may be terminated in the manner provided hereinafter; however, all of Seller's representations, covenants and agreements contained in this Agreement shall survive any termination of the Agreement.

13.01 Termination Without Cause. This Agreement may be terminated without cause at any time by either party after sixty (60) days prior written notice to the other party. Termination under this Section 13.01 shall not terminate Seller's agreement to sell and Buyer's agreement to purchase those Loans which, prior to the effective date of termination, Buyer and Seller have agreed to purchase and sell, respectively, provided such Loans: (i) continue to meet the requirements of this Agreement and the Sales Criteria; and (ii) are approved for purchase by Buyer either prior or subsequent to the effective date of termination..

13.02 Termination for Cause. This Agreement may be terminated immediately "for cause" upon the occurrence of any of the following: (i) if Seller or Buyer is in default under this Agreement, or (ii) if Seller becomes insolvent or bankrupt, or if a receiver is appointed for Seller, or if a petition for reorganization is filed by or against Seller. If Seller is in default under this Agreement, Buyer shall give Seller written notice of such default and provide Seller with a period of ten (10) days in which to cure such default. If Seller shall not have cured such default within ten (10) days from the date of Buyer's notification, then Buyer shall have the option to immediately terminate this Agreement upon notification to Seller. If Buyer is in default under this Agreement, Seller shall give Buyer written notice of such default and provide Buyer with a period of ten (10) days in which to cure such default. If Buyer shall not have cured such default within ten (10) days from the date of Seller's notification, then Seller shall have the option to immediately terminate this Agreement upon notification to Buyer. If Seller becomes insolvent or bankrupt, or if a receiver is appointed for Seller, or a petition for reorganization is filed by or against Seller, this Agreement shall automatically terminate. Termination under this Section 13.02 shall release Buyer from any and all obligations to purchase Loans thereafter.

SECTION 14. RELATIONSHIP OF PARTIES. Seller is an independent contractor, and this Agreement and any transactions entered into pursuant hereto shall not

be deemed to create between Buyer and Seller a relationship of agency, legal representation, partnership, joint venture, debtor/creditor, or employment. No party shall be deemed to designate the other party as its agent, and Buyer and Seller agree that neither party is in any way authorized to make any contract, agreement, warranty or representation, or to create any obligation, express or implied, on behalf of the other. Neither party assumes any liability or incurs any obligations of the other by the execution of this Agreement. No part of the consideration to be paid for any Loan shall be considered a fee paid for the goodwill of Seller.

SECTION 15. CONFIDENTIALITY AND NONDISCLOSURE. EXCEPT AS OTHERWISE REQUIRED BY LAW, SELLER, ITS EMPLOYEES AND AGENTS SHALL NOT DISCLOSE THE EXISTENCE OF THIS AGREEMENT OR THE FACT THAT SELLER IS ABLE TO OFFER BUYER'S LOAN PRODUCTS AND PRICES. SELLER AND BUYER SHALL KEEP ALL COMMUNICATIONS BETWEEN SELLER AND BUYER CONFIDENTIAL INCLUDING ALL "NONPUBLIC PERSONAL INFORMATION" (AS THAT TERM IS DEFINED IN TITLE V OF THE GRAMM-LEACH-BLILEY ACT (THE "ACT") AND UNDER APPLICABLE REGULATIONS ISSUED UNDER THE ACT) OF THE CUSTOMERS OR CONSUMERS OF BUYER AND WHICH IS FURNISHED BY OR THROUGH THE BUYER TO THE SELLER. Irreparable harm shall be presumed if the Seller or Buyer breaches this Section. In addition to any other remedies to which the Buyer or Seller may be entitled as a result of such a breach, the Buyer or Seller shall be entitled to seek injunctive relief immediately enjoining the Seller or Buyer, as applicable, from continuing its breach and without posting bond therefore.

Without limiting the foregoing, Seller acknowledges and agrees that it shall not, except as required by law, and it shall cause its directors, officers, employees, agents and advisors not to, without the prior written consent of Buyer (which consent shall be granted or withheld by Buyer in its sole and absolute discretion) disclose to any third party the existence of this Agreement, the terms hereof, or the involvement of Buyer and/or its affiliates in the transactions contemplated hereby. Without limiting the generality of the foregoing, Seller shall not, without the prior written consent of Buyer, refer to Buyer or its affiliates verbally or in writing or use the logo of Buyer or its affiliates in connection with engagement of any third party service providers, the origination of any Loan or the marketing of the Loans to prospective Obligor, including, without limitation, in any Loan documents, in any advertisements or other promotional or information materials regarding the Loans, in any press releases or other public announcements or media, or on any internet website.

SECTION 16. CONFIDENTIAL INFORMATION; PRIVACY. Seller hereby acknowledges that Seller may have access to, or Buyer may provide to Seller information and/or documentation which Buyer regards as confidential or otherwise of a proprietary nature. Exhibit A

Purchase Agreement

MORTGAGE LOAN PURCHASE AGREEMENT

THIS MORTGAGE LOAN PURCHASE AGREEMENT (this "Agreement") is made this 30th day of April 2009 by and between Lehman Brothers Holdings Inc., a Delaware corporation, on behalf of itself and its applicable affiliates (collectively, "Buyer"), and Americor Mortgage, Inc. (d/b/a Vacation Finance and d/b/a Americor Financial Services), a Michigan corporation ("Seller").

RECITALS:

- A. This Agreement is intended to set forth the entire understanding between the parties whereby Buyer wishes to have the ability to make available residential condominium mortgage loans for condominium properties, in which Buyer has an interest as a lender, to individual obligors who desire to purchase a condominium unit (each an "Obligor" and, collectively, the "Obligors") (which loans, together with all documents evidencing, securing or in any way related to the origination and closing of such loans, are hereinafter referred to as the "Loans");
- B. Buyer wishes to facilitate the availability of such Loans to such Obligors because of the lack of availability of traditional financing sources for such Obligors and Seller has experience in the making and originating of such Loans to condominium unit purchasers and is willing to originate such Loans in accordance with the terms and conditions contained herein based upon Buyer's obligation to purchase all such Loans originated by Seller subject to the terms and conditions contained herein below;
- C. Each of the Loans shall be evidenced by promissory notes (each a "Note" and, collectively, the "Notes") and secured by mortgages or other security instruments (each a "Mortgage" and, collectively, the "Mortgages") covering individual residential condominium units located within the condominium project commonly known as "Canyon Ranch Living Miami Beach Condominiums" located in Miami Beach, Florida (the "Mortgaged Property").
- D. Seller agrees to originate certain Loans for Buyer to purchase in accordance with the provisions of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and undertakings hereinafter provided, Seller and Buyer agree as follows:

SECTION 1. LOAN SUBMISSION. Seller shall submit to Buyer loan applications, credit information and other data ("Loan Packages") for Loans that Seller has determined, and represents to Buyer, satisfy: (i) the terms of this Agreement, and (ii) the sales criteria agreed to by the Buyer and Seller from time to time, including, without limitation, the Underwriting Score Card and the Product Matrix which are both a part of the Sales Criteria agreed to by the Buyer and the Seller from time to time (the Underwriting Score Card, the Product Matrix and the other underwriting criteria agreed to by Buyer and Seller from time to time are hereinafter sometimes referred to collectively as the "Sales Criteria"). The initial Sales Criteria agreed to by Seller and Buyer are attached to this

Agreement as Exhibit C and constitute the currently approved standards for underwriting potential borrowers and the types of loans that may be offered to such borrowers based upon the various factors set forth in such Sales Criteria. In the event of a discrepancy between the provisions of this Agreement and the Sales Criteria, the provisions of this Agreement shall control. Seller shall furnish to Buyer at Seller's sole expense such credit, financial, and other information concerning potential borrower that Buyer may require in determining for its own account whether or not such Obligor and the Loan Package to be offered is acceptable to Buyer in its sole and absolute discretion. Notwithstanding the foregoing, it is the intention of Seller that Loans will be made available to Obligors pursuant to this Agreement and that such Loans that meet the requirements set forth in this Agreement and the Sales Criteria will be made available to Buyer for purchase pursuant to the terms of this Agreement until such time as Buyer shall provide Seller thirty (30) days prior notice that Buyer will thereafter discontinue purchasing Loans from Seller pursuant to the terms of this Agreement.

SECTION 2. PURCHASE AND SALE OF LOANS. Seller shall sell to Buyer, and Buyer shall purchase from Seller, all Loans which (i) have been originated by Seller, (ii) meet the requirements of this Agreement and the Sales Criteria, (iii) have been approved for purchase by Buyer in accordance with the terms of this Agreement, prior to the date sixty (60) days after the date that Buyer delivers notice to Seller that Buyer will discontinue purchasing Loans from Seller pursuant to the terms of this Agreement, and (iv) are closed, in accordance with the terms of this Agreement within thirty (30) days after the date the Buyer provides written notice to Seller that Buyer has so approved such Loan for purchase. Seller may offer to sell a Loan, or Loans, to Buyer from time to time by submitting to Buyer a loan list or spreadsheet of potential Loans in a format acceptable to Buyer that sets forth such Loan or Loans and their criteria as applied to the Sales Criteria. As agreed to herein, Buyer's approval of a Loan for purchase shall mean Buyer's approval of a Loan Package relating to a proposed Loan to be made by Seller to the corresponding Obligor, which approval means Buyer is, subject to the terms of this Agreement, obligated for a period of thirty (30) days after the date Buyer delivers written notice to Seller of such approval, to purchase the Loan made pursuant thereto at closing of the Loan transaction unless Buyer subsequently reasonably determines that such Loan does not satisfy the requirements set forth in this Agreement, the standards set forth in the Underwriting Score Card and/or does not otherwise conform to the Sales Criteria. Neither party shall be obligated to sell or purchase (as the case may be) any Loan, unless and until both Buyer and Seller have approved the sale of such Loan in accordance with the terms of this Agreement. The rights granted to Seller under this Agreement shall be non-exclusive. Buyer shall have the right, from time to time, in its sole and absolute discretion, to originate, or to purchase mortgage from any Buyer affiliate or any third party, loans secured by residential condominium units located within the condominium project commonly known as Canyon Ranch Living Miami Beach Condominiums; provided, however, that in the event that Loan Packages with respect to substantially similar proposed Loans are submitted to Buyer both from Seller and from such Buyer affiliate or third party originator, such Loan Packages shall be reviewed by Buyer for approval in the order that such complete Loan Packages are received by the Buyer.

SECTION 3. ORIGINATION OF LOANS. Seller shall use commercially reasonable efforts to originate Loans in accordance with the terms of this Agreement and the Sales Criteria from any potential Obligor who would be a purchaser of a condominium unit in the Mortgaged Property for so long as Buyer has not provided Seller thirty (30) days prior notice that it no longer intends to purchase such Loans. All material documents executed and/or delivered in connection with the offering or solicitation of potential Loans or otherwise evidencing, governing, securing or otherwise executed and/or delivered in connection with any such Loans shall be in accordance with the Sales Criteria and shall be subject to the prior written approval of the Buyer except those documents prepared in accordance with FNMA or FHMLC Guidelines which are to be approved by Buyer in advance. Seller shall deliver all such documentation to Buyer at least fifteen (15) days prior to its intended use of such documents, and unless Buyer shall otherwise object, the documents shall be deemed approved by Buyer after such fifteen day period so long as they meet the terms of this Agreement and the Sales Criteria and comply with applicable state and federal laws and regulations.

SECTION 4. THE SALES CRITERIA. Buyer and Seller agree to comply with all terms, procedures and provisions of the Sales Criteria. The Sales Criteria, which consist of Underwriting Score Card, Product Matrix and the other underwriting criteria as determined by Buyer from time to time, set forth the criteria upon which Seller will offer Loans to potential Obligors and the primary criteria for loans that meet Buyer's requirements with respect to the purchase of each Loan by Buyer.

SECTION 5. CHANGES TO THE SALES CRITERIA. The Sales Criteria are subject to change from time to time as determined by Buyer; provided however, that until Seller shall have received written notice from Buyer of any such change to the Sales Criteria, the previous Sales Criteria shall remain operative and in full force and effect.

SECTION 6. PROCEDURAL MATTERS. Seller shall process and close each Loan in its own name. Notwithstanding anything to the contrary contained herein, prior to the sale of each Loan, such Loan must be pre-qualified and approved for purchase by Buyer in writing, and closed and delivered in accordance with the terms hereof and the Sales Criteria. On the date Seller closes each Loan that has been approved by Buyer for purchase, Buyer shall purchase such Loan in accordance with the terms hereof at a purchase price equal to the sum of (i) the outstanding principal balance of such Loan, (ii) the accrued and unpaid interest on such Loan, and (iii) a premium (the "Premium") equal to the amount remaining, if any, after deducting (A) the Origination Fee (as hereinafter defined) paid with respect to such Loan, from (B) an amount equal to one percent (1%) of the outstanding principal amount of the Loan. Seller agrees that it shall use all reasonable efforts to close each Loan that has been pre-qualified and approved by Buyer. To the extent Buyer has agreed to purchase, and Seller has agreed to sell, any Loan in accordance with the terms hereof and the Sales Criteria, Buyer shall advance the purchase price for such Loan to Seller on the date of the closing of such Loan between Seller and the Obligor. Upon the closing of a Loan, Seller shall immediately transfer such Loan to Buyer in accordance with the terms and conditions set forth herein. The transfer of funds described in this Section shall be subject to the terms of a master escrow agreement to be entered into by and among Buyer, Seller and a third party title company in form and substance acceptable to each of the

foregoing parties in each of such party's sole and absolute discretion. The third party title company shall be selected by the mutual agreement of Buyer and Seller in each party's sole and absolute discretion.

SECTION 7. UNDERWRITING OF LOANS. Seller and Buyer agree that Seller shall offer loans to potential Obligor only in accordance with the terms and conditions of this Agreement and the Sales Criteria and that potential Obligor shall be underwritten by Seller to ensure that they meet the requirements of this Agreement and the Sales Criteria, including, without limitation, the Underwriting Score Card that is a part of the Sales Criteria prior to submission of a proposed Loan to Buyer. So long as Buyer has not notified Seller that it no longer intends to purchase Loans from Seller as provided for herein above, Buyer or its agent shall have an obligation to review, underwrite and approve or disapprove those Loans that Seller presents to Buyer and that Seller proposes to sell to Buyer pursuant to this Agreement to the extent that such Loans meet the Sales Criteria. Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, Buyer shall have no obligation to purchase any proposed Loan which, in its sole discretion, does not meet Buyer's requirements set forth in this Agreement, the standards set forth in the Underwriting Score Card and/or does not otherwise conform to the Sales Criteria. In making its determination, Buyer expressly disclaims any conclusions Seller may draw as to the general quality or acceptability of any Loan. Buyer shall notify Seller of Buyer's decision as to whether to purchase any Loan as presented to Buyer by Seller in accordance with the practices and procedures established by Seller and Buyer and/or as set forth in the Sales Criteria within ten (10) days of delivery of a complete Loan Package for such Loan from Seller to Buyer for approval. Buyer retains sole and absolute discretion to refuse to purchase any Loan that does not comply with the terms and conditions of this Agreement, the Sales Criteria, Buyer's underwriting requirements or for any reason whatsoever (except any reason prohibited by law); provided however, that in the event that (i) the Seller proposes to sell to Buyer Loan(s) that meet the Buyer's underwriting requirements and conform to the terms of this Agreement and the Sales Criteria, (ii) such Loan(s) have been approved for purchase by Buyer in writing as provided in this Section 7, (iii) Seller has complied with each of the terms, covenants and conditions of this Agreement for the sale of such Loan(s), and (iv) Seller has tendered such Loan(s) for purchase by Buyer in strict accordance with the terms of this Agreement, but the Buyer fails to purchase such Loan(s) in accordance with the terms of this Agreement, Buyer shall indemnify and hold the Seller harmless from and against any claims, damages, losses (excluding lost profits, but providing for any lost Origination Fee) or reasonable costs and expenses arising out of the Buyer's failure to purchase such Loan(s) to the extent provided in this Agreement. Without limiting the provisions of the preceding sentence, in the event that an action or proceeding is instituted by a third party with respect to any claim covered by the preceding sentence (a "Covered Claim"), Seller shall be entitled to employ attorneys selected by Seller with the approval of the Buyer, which approval shall not be unreasonably withheld or delayed, to appear and defend the action or proceeding at Buyer's sole expense, and to compromise or settle any such action or proceeding on such terms as Seller may reasonably deem appropriate; provided, however, that any such compromise or settlement shall not include any admission of liability or wrongdoing by Buyer without Buyer's prior written consent.

In the event the Seller does not wish to defend such Covered Claim pursuant to the preceding paragraph, the Seller shall promptly notify Buyer of such Covered Claim and Buyer must assume the defense of such Covered Claim with attorneys reasonably acceptable to Seller. Buyer shall not be responsible for Seller's attorney fees incurred after the Buyer assumes the defense of such Covered Claim unless the Seller and Buyer have claims adverse to each other, in which case the prevailing party's legal fees will be paid by the losing party. The failure of the Seller to notify the Buyer of such Covered Claim shall not relieve the Buyer of any liability that the Buyer may have with respect to such Covered Claim except to the extent the Buyer demonstrates that the defense of such Covered Claim is materially prejudiced by such failure. The Seller shall have the right to reject any settlement proposed by the Buyer in connection with Buyer's defense of such Covered Claim; provided, however, that if such settlement is (i) within the financial means of the Buyer, (ii) without cost or liability to the Seller, (iii) includes a full general release of the Seller from any liability in form and content reasonably satisfactory to Seller, and (iv) does not otherwise materially and adversely affect the Seller, the Seller waives its right to reject such settlement offer. In the event that the Buyer refuses or fails to undertake the defense of any such Covered Claim within ten (10) days after notice of such Covered Claim has been given to the Buyer by the Seller, or at any time the Buyer shall otherwise fail to diligently defend or pursue settlement of such Covered Claim or if such Covered Claim could result in damages in excess of the amount that the Seller could reasonably expect to be recoverable from the Buyer, then the Seller shall have the right, but not the obligation, to undertake the defense, compromise or settlement of such Covered Claim with counsel of its own choosing at the sole cost and expense of the Buyer.

Upon determination of the amount of a Covered Claim, whether by agreement between the Buyer and the Seller, by an arbitration award, any other final adjudication or otherwise, the Buyer shall pay to the Seller the amount of such Covered Claim within thirty (30) days of the date such amount is determined. Thereafter, the amount of such Covered Claim shall bear interest at a rate equal to ten percent (10%) per annum.

SECTION 8. RELEASE OF SERVICING. Each Loan shall be sold to Buyer on a "servicing released" basis, meaning that Seller shall release, transfer and assign to Buyer all right, title and interest in and to the Loan, including, without limitation, any right to provide mortgage servicing in connection therewith.

SECTION 9. REPRESENTATIONS AND WARRANTIES OF SELLER. Seller hereby makes the following representations and warranties to Buyer. Such representations and warranties are deemed to be made both as of the date hereof, and as of each and every date Seller sells a Loan to Buyer (each such date, a "Settlement Date"), and Buyer shall be deemed to have relied on the following representations and warranties.

9.01 Seller Representations and Warranties. Seller makes the following representations and warranties:

(1) Organization. Seller is duly organized, validly existing and in good standing under laws of its state of organization and the State of Florida, and has the power to own its assets and to transact the business in which it is presently

engaged. Seller is duly qualified and in good standing under the laws of each jurisdiction where its ownership or lease of property or the conduct of its business requires such qualification, including, without limitation, its state of organization and the State of Florida, and where the failure to be so qualified would have a material adverse affect on the business and assets of Seller, taken as a whole. Seller has and shall continue to maintain in full force and effect all licenses, registrations and certifications in all appropriate jurisdictions to conduct all activities performed with respect to the making and selling of Loans.

(2) Authority. Seller has the power, authority and legal right to make, deliver and perform this Agreement and all of the transactions contemplated hereunder, and has taken all necessary action to authorize the execution, delivery and performance of this Agreement. No consent of any other party and no consent, license, approval or authorization of, or registration with, any governmental authority, bureau or agency is required in connection with the execution, delivery, performance, validity or enforceability of this Agreement or the sale of the Loans or if required same has been obtained and remains in effect.

(3) No Violation. The execution, delivery and performance of this Agreement will not violate any provision of any existing laws or regulation, or any order or decree of any court, or Seller's organizational documents or of any mortgage, indenture, contract or other agreement to which Seller is a party or by which Seller and any of its property or assets may be bound.

(4) Litigation. No litigation or administrative proceedings of or before any court, tribunal or governmental body is presently pending, or, to the knowledge of Seller, threatened against Seller or any of its properties, which, if adversely determined, would have a material adverse effect on the business, assets, financial condition of Seller or Seller's ability to perform its obligations under this Agreement.

(5) True and Correct. Neither this Agreement nor any statement, report or other document furnished or to be furnished pursuant to this Agreement or in connection with the transactions contemplated hereby contains any untrue statement of fact or omits to state a fact necessary to make the statements contained therein not misleading.

(6) Validity. This Agreement has been duly authorized and executed by Seller and is, or upon delivery will be, a legal, valid and binding obligation of Seller enforceable in accordance with its terms, subject only to applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting creditor rights generally.

(7) Commissions to Third Parties. Seller has not dealt with any broker or agent or other Person who might be entitled to a fee, commission or compensation in connection with the sale of Loans by Seller to Buyer other than the Buyer.

(8) No Common Ownership. Seller, any title company, any closing agent and any appraiser shall each be independent parties and shall have no common ownership, employees, management, directors or any other relationship or affiliation unless previously disclosed to and approved by Buyer in writing. The Obligor(s) shall also be independent of Seller, any title company, any closing agent and any appraiser and shall not be affiliated with Seller, any title company, any closing agent or any appraiser in any way.

(9) Solvency. Seller is solvent, has not committed any act of bankruptcy and the execution and consummation of this Agreement will not render Seller insolvent. Upon payment by Buyer of the purchase price of the Loan, no creditor or stockholder of Seller or any other person will have any claim against Buyer on the Loan. The consideration received by Seller upon the sale of the Loans will constitute fair consideration and reasonably equivalent value for the Loans. The sale of the Loans is not undertaken with the intent to hinder, delay or defraud any of the Seller's creditors.

9.02 Seller Loan Representations, Warranties and Covenants. Seller makes the following representations, warranties and covenants with respect to each Loan which shall be deemed reaffirmed at the closing of each Loan and simultaneous sale to the Buyer:

(1) Loan Meets Requirements. The Loan shall conform in all respects to all the applicable requirements contained in the Sales Criteria and this Agreement. Upon purchase of a Loan by Buyer, which purchase shall take place at the settlement table of the Loan, such Loan will be fully funded and shall be fully amortizing with no negative amortization.

(2) Seller Has Full Right to Sell and Assign. Seller is the sole owner of record and holder of the Loan and has full right and authority to sell and assign it to Buyer. In addition, Seller's right to sell or assign is not subject to any other party's interest or to an agreement with any other party.

(3) Seller's Lien on Property. Upon funding of the Loan by Buyer at the settlement table, the Mortgage securing the Loan is a valid, subsisting and enforceable first priority lien on the Mortgaged Property, free and clear of all encumbrances and liens having priority over it, except for liens for real estate taxes and liens for special assessments that are not yet due and payable and has been properly filed, recorded or otherwise perfected in accordance with applicable law. No instruments other than those delivered therewith are required under applicable law to evidence the indebtedness represented by the Loan or to perfect a security interest in the collateral for the Loan. None of the Mortgage Property or any other collateral securing the Loan have been seized by a governmental agency. The existence of a valid and enforceable title insurance policy insuring such position shall suffice for purposes of meeting the requirements of this subsection.

(4) Documents are Valid and Enforceable. The Note, Mortgage and any security agreements, chattel mortgages or equivalent documents relating to it have been properly signed, are valid and their terms may be enforced by Buyer, its successors and assigns, subject only to bankruptcy laws, Servicemembers' Civil Relief Act, laws relating to administering descendants' estates, and general principles of equity. The Note and the Mortgage and every other agreement, if any, executed by the Obligor(s) in connection with the Loan are genuine, and each is the legal, valid and binding obligation of the maker thereof enforceable in accordance with its terms. All parties to the Note, the Mortgage and each other such related agreement have legal capacity to enter into the Loan and to execute and deliver the Note, the Mortgage and each other related agreement, and the Note, the Mortgage and each other such related agreement have been duly and properly executed by the respective Obligor(s). Seller had reviewed all of the documents constituting the Loan file and has made such inquiries as it deems necessary to make and confirm the accuracy of the representations set forth therein. All recording or other fees required to be paid in connection with the filing or recording of any document entered into in connection with the Loan have been paid in full by the Seller and/or the Obligor in accordance with the terms of the Loan. Notwithstanding the foregoing, it is agreed that the use of FNMA and/or FHLMC approved form of loan documents shall be deemed to meet the requirements of this subsection so long as they meet the other requirements of this Agreement.

(5) Mortgage Property Not Subject to Liens. The Mortgaged Property is free and clear of all mechanics' liens, materialmen's liens or similar types of liens. There are no rights outstanding that could result in any of such liens being imposed on the Mortgaged Property.

(6) Title Insurance. There is a mortgage title insurance policy on the Mortgaged Property. The title insurance policy is on a current ALTA form (or other generally acceptable form) issued by an insurance company which, along with the policy itself, meets the requirements set forth in the Sales Criteria. The title insurance insures Seller and its successors and assigns as holding a first priority lien on the Mortgaged Property.

(7) No Modification or Subordination of Mortgage. Seller has not done any of the following: (a) materially modified the Note or Mortgage; (b) satisfied or cancelled the Note or Mortgage in whole or in part; (c) subordinated the Mortgage in whole or in part; (d) released the Mortgaged Property in whole or in part from the Mortgage lien; or (e) signed any release, cancellation, modification or satisfaction of the Note or Mortgage.

(8) Mortgage in Good Standing. To the best of Seller's knowledge after due inquiry, there is no default, breach, violation, or event of default or acceleration existing under the Note or Mortgage, nor has there occurred any event that, with the passage of time or the giving of notice or both, could give rise to such default, breach, violation or event of default and/or acceleration. Seller has not waived

any default, breach, violation or event of default or acceleration under the Note or Mortgage and all of the following that have become due and payable have been paid or an escrow of funds sufficient to pay them has been established: (a) taxes; (b) government assessments; (c) insurance premiums; (d) water, sewer and municipal charges; (e) leasehold payments; and (f) ground rents. No collateral purporting to secure the Loan has been repossessed or disposed of or foreclosed against by Seller or any other person from the Obligor(s).

(9) Advances. Seller has not made, or knowingly received from others, any direct or indirect advance of funds in connection with the Loan on behalf of the Obligor, except as provided in the Sales Criteria. This warranty does not cover payment of interest from the earlier of: (a) the date of the Note; or (b) the date on which the Mortgage proceeds were disbursed; or (c) the date one month before the first installment of principal and interest on the Note is due.

(10) Property Intact. To the best of Seller's knowledge after due inquiry, the Mortgaged Property is not damaged by waste, fire, earthquake or earth movement, wind, flood, tornado or other cause of loss. There are no proceedings pending for the partial or total condemnation of the Mortgaged Property.

(11) Improvements. The underlying property secured by the mortgage constitutes an individual, residential condominium unit and all appurtenant rights as permitted in the Sales Criteria and as reflected in the credit files and other materials submitted to Buyer. The Seller will perform due diligence in accordance with FNMA/FHLMC Guidelines to confirm the underlying condominium unit is subject to a certificate of occupancy or similar use and occupancy certificate allowing the borrower to use and/or occupy the property. To the best of Seller's knowledge after due inquiry, (i) the Mortgaged Property is free of damage and waste including but not limited to hazardous materials and there is no proceeding pending for the total or partial condemnation thereof, (ii) any improvements that are included in the appraised value of the Mortgaged Property are totally within the property's boundaries and building restriction lines, (iii) no improvements on any adjoining property nor any other condominium unit encroaches on the Mortgaged Property, and (iv) any and all home improvement goods and services to be provided or performed under a Loan have been provided in workmanlike manner, and in accordance with applicable regulatory codes, and to the Obligor(s) satisfaction.

(12) Note Not Usurious. The Note is not usurious and either meets or is exempt from any usury laws or regulations.

(13) Compliance with Consumer Protection Laws. Seller, and any originator if not the Seller, has complied with all applicable federal and state laws, regulations and other requirements including, but not limited to, the Real Estate Settlement Procedures Act and Regulation X; the Federal Fair Housing Act; the National Flood Insurance Act; the Equal Credit Opportunity Act and Regulation B; the Truth in Lending Act and Regulation Z; the Fair Credit Reporting Act; the Fair

Debt Collection Practices Act; the Home Mortgage Disclosure Act and Regulation C; the Gramm-Leach-Bliley Act and Regulation P; and all Florida laws relating to mortgage brokerage and mortgage lending activities (including, without limitation, Fla. Stat. 494.001 et seq.). Seller further warrants compliance with the terms of Buyer's "Fair Lending Policy Statement," attached as Exhibit B of this Agreement..

(14) Property is Insured. A casualty insurance replacement policy on the Mortgaged Property is in effect and meets the requirements set forth in the Sales Criteria. The policy is written by an insurance company which meets the requirements set forth in the Sales Criteria and provides fire and extended coverages for an amount at least equal to the amount required by the Sales Criteria.

(15) Loan Marketability. Seller knows of nothing involving the Loan, the Mortgaged Property, the Obligor or the Obligor's credit standing that can reasonably be expected to: (a) cause the Loan to become delinquent; or (b) adversely affect the Loan's value.

(16) Default. To the best of Seller's knowledge after due inquiry, no default exists under the Loan. The Loan is not in the possession of any attorney or collection agency for collection nor is it the subject of any actual or threatened bankruptcy proceeding or other litigation.

(17) Counterclaim. To the best of Seller's knowledge after due inquiry, the Obligor has not asserted any defense, set-off, right of rescission or counterclaim, either at law or in equity, in connection with the Loan.

(18) Genuineness of Signatures. All Loan documents are genuine and contain genuine signatures. All Loan documents that Buyer requires to be original documents are original documents. All certified copies of original documents are true copies and meet the applicable requirements and specifications of this Agreement, the Sales Criteria and any other requirements that Buyer has reasonably made of Seller.

(19) Full Disbursement of Proceeds. The Loan has been closed and, subject to table funding by the Buyer at the settlement table, the proceeds of the Loan have been fully disbursed and there is no requirement for future advances thereunder, and any and all requirements as to completion of any on-site improvement and as to any escrow funds therefore have been complied with other than any reserves set aside for punch list items. All costs, fees and expenses incurred in making or closing the Loan and the recording of the Mortgage were paid, and the Obligor is not entitled to any refund of any amounts paid or due under the Note or Mortgage.

(20) Loan Fees. All costs, fees, expenses and charges payable directly or indirectly to Seller or any affiliate thereof in connection with the origination, making or closing of the Loan (collectively, the "Loan Closing Fees") have

complied with the Sales Criteria and have been paid in full. In any event, without the prior written consent of the Buyer in each instance, the Loan Closing Fees with respect to any Loan do not exceed the sum of (i) an origination fee (the "Origination Fee") equal to one percent (1.0%) of the principal amount of the Loan, (ii) a documentation fee of \$250, (iii) a loan underwriting fee of \$350, and (iv) a processing fee of \$372. Neither Buyer nor any Indemnified Party, as hereinafter defined, shall have any obligation for the payment of any Loan Closing Fees.

(21) Appraisals. Upon the written request of the Buyer, Seller shall cause to be delivered to Buyer, at the Obligor's sole cost and expense, an appraisal of each Mortgaged Property signed prior to the approval of the applicable Mortgage application by a qualified appraiser, who (i) is licensed in the state where the Mortgaged Property is located (ii) is acceptable to Buyer, (iii) has, no interest, direct or indirect, in the Mortgaged Property or in any loan on the security thereof, and (iv) does not receive compensation that is affected by the approval or disapproval of the Loan. The appraisal shall be completed in compliance with the Uniform Standards of Profession Appraisal Practice, and all applicable federal and state laws and regulations, including FIRREA. There have been no arrangements or agreements between Seller and the appraiser identified in the Federal Register by the Flood Emergency Management Agency as having flood hazards. The Mortgaged Property is covered by flood insurance which shall be in an amount not less than the least of (a) the outstanding principal balance of the Loan, but not less than the minimum amount required to fully compensate for damage or loss in the event of partial loss, on a replacement cost basis, (b) the full insurable value of the Mortgaged Property, or (c) the maximum amount of insurance available under the National Flood Insurance Act of 1968, as amended.

(22) Obligors are Real. To the best of Seller's knowledge after due inquiry, the Obligor(s) on the Loan are the true and only Obligors thereon, are the real parties in interest thereon and are not straw men, nominees or accommodation parties or representatives of any other person, group or organization as to all or any part of the credit extended thereunder.

(23) Benefits to Seller. Neither Seller nor any stockholder, director, officer, partner, employee or agent of Seller has received any benefit, consideration or value, other than (a) the increased business to Seller and its affiliated entities represented by the Loan or (b) a prepaid finance charge disclosed to the Obligor(s) on the Loan or (c) insurance commissions from time to time heretofore paid from any Obligor(s) or anyone else in connection with the Loan or (d) the compensation to be paid to Seller by Buyer under this Agreement.

(24) No Third Party Payments. No payments made on the Loan were made directly or indirectly by any of the Seller, the stockholders, officers, directors, partners, employees or agents of Seller or by an assignor of the Loan or merchant who referred the Obligor(s) under the Loan. Neither Seller nor any such person or entity has made any agreement or reached any understanding with any

Obligor(s) for any variation of the interest rate, schedules of payment or other terms and conditions of the Loan. The Seller has not advanced funds, or induced, solicited or knowingly received any advance of funds from a party other than the owner of the Mortgaged Property subject to the Mortgage or an Obligor on such Loan, directly or indirectly, for the payment of any amount required under such Loan. There is no obligation on the part of the Seller or any other party to make payments on account of the Loan which are in addition to those made by the Obligor(s).

(25) Prior Payments Made. All payments required under the terms of the Loan to be made on or prior to the Settlement Date have been made; the Loan was not or is not the subject of a first payment default under the Note.

(26) Transfer of Mortgage Loans. The assignment of mortgage with respect to each Loan is in recordable form and is acceptable for recording under the laws of the jurisdiction in which the Mortgaged Property is located. The transfer, assignment and conveyance of the Notes and the Mortgages by the Seller are not subject to the bulk transfer or similar statutory provisions in effect in any applicable jurisdiction.

(27) Collateral Occupied. To the best of Seller's knowledge after due inquiry, The collateral purporting to secure the Loan secures the Loan as of the date of transfer and is lawfully occupied as reflected in the credit files and other materials submitted to Buyer.

(28) Mortgage Remedies. The Mortgage contains customary and enforceable provisions, subject to applicable law, so as to render the rights and remedies of the holder thereof adequate for the realization against the Mortgaged Property of the benefits of the security provided thereby including, but not limited to, (a) by judicial or non-judicial foreclosure proceedings as may be authorized by law, and (b) the right, subject to any applicable federal restrictions, to call a default under the Mortgage and to accelerate the Mortgage indebtedness in the event the Mortgaged Property or a portion thereof is sold or transferred without the consent of the holder of the Mortgage. All persons who have or will have an ownership, homestead or dower interest in the Mortgaged Property have signed the Mortgage relating to such property if said signature is permitted by law.

(29) Servicemembers' Civil Relief Act. The Obligor(s) has not notified the Seller, and the Seller has no actual knowledge of, any relief requested by or allowed to the Obligor(s) under the federal Servicemembers' Civil Relief Act (f/k/a Soldiers' and Sailors' Civil Relief Act of 1940).

(30) No High Cost Loans. None of the Loans are classified as (a) "high cost" loans under the Home Ownership and Equity Protection Act of 1994 or (b) so called "high cost", "threshold," "covered," or "predatory" loans under any other applicable state, federal or local law.

(31) Authorization to Share Information. All loan files relating to Loans purchased by Buyer shall contain the authorization to share information described in the Sales Criteria signed by the Obligor(s). Seller also represents and warrants that it shall not forward any application or credit information of any Obligor(s) who does not authorize the sharing of information.

(32) No Tribal Law. The governing laws with respect to the origination, servicing and foreclosure of any Loan are the applicable provision of the laws of the state in which the collateral is located, or the laws of the United States, and not any tribal law, and no tribal court has exclusive jurisdiction of the same.

(33) Credit Report. Each credit report obtained in connection with the origination of a Loan was obtained from a major credit reporting agency, and was less than sixty (60) days old at the time of the closing of the related Loan.

(34) Obligor(s) Are Alive and Solvent. To the best of the Seller's knowledge after due inquiry, at the time of settlement, none of the Obligor(s) on such Loan is deceased and the Loan is not subject to any pending foreclosure, bankruptcy, insolvency, or reorganization proceeding, survey dispute, quiet title or adverse possession claims. The debt on the Loan has not been discharged in a previously pending bankruptcy action.

(35) Sale Transaction. Under generally accepted accounting principles the transfer of the Loans may be treated as a sale on the books and records of the Seller and the Seller has determined that the disposition of the Loans pursuant to this Agreement will be afforded sale treatment for tax and accounting purposes.

(36) USA PATRIOT Act. The Seller has complied with all applicable anti-money laundering laws and regulations, including without limitation the USA PATRIOT Act of 2001 (collectively, the "Anti-Money Laundering Laws") and maintains, and will maintain, sufficient information to identify the applicable Obligor for purposes of the Anti-Money Laundering Laws. The documents, instruments and agreements executed in connection with each of the Loans contain all provisions necessary to require the Obligors to provide any information necessary to allow Buyer or any subsequent holder of the Loan or any interest therein to comply with the requirements of the Anti-Money Laundering Laws.

(37) True Information. To the best of Seller's knowledge after due inquiry, all information and documents contained in a Loan file are genuine and the information contained in such documents is true, accurate and complete and such documents do not omit to state a fact necessary to make the statements contained therein not misleading.

(38) Sole Originator. Seller warrants that it is the sole originator of all Loans submitted to Buyer by Seller pursuant to this Agreement.

(39) Parties in Interest. All parties which have had any interest in the Loan, whether as mortgagee, assignee, pledge, mortgage broker or otherwise, are (or, during the period in which they held and disposed of such interest, were) (1) in compliance with any and all applicable licensing requirements of the laws of the state wherein the Mortgage Property is located, and (2) organized under the laws of such state, or (3) qualified to do business in such state, or (4) federal savings and loan associations or national banks having principal offices in such state, or (5) not doing business in such state.

(40) No Fraud. No error, omission, negligence, misrepresentation, fraud, identity theft, or similar occurrence has taken place on the part of the Seller.

(41) These representations, warranties and covenants are made at and as of the time of origination, transfer, and conveyance of each Loan to Buyer, but Buyer's rights with respect to the breach of these representations, warranties and covenants shall continue after the purchase of the Loan by Buyer and after payment by Buyer of the purchase price for such Loan to Seller, and shall survive after any termination of this Agreement. These representations, warranties and covenants are for the benefit of Buyer as well as the benefit of Buyer's successors and assigns.

SECTION 10. INTERIM SERVICING. All Loans sold by Seller under this Agreement shall be sold on a servicing-released basis. Except as otherwise provided in this Agreement, as of the applicable Settlement Date, all rights, obligations, liabilities and responsibilities with respect to the servicing of such Loan shall pass to Buyer, and Seller shall be discharged from all liabilities arising from such servicing from and after the Settlement Date. Notwithstanding anything to the contrary contained in this Agreement, to the extent that the actual servicing of any Loan cannot be transferred from Seller to Buyer on the Settlement Date due to the requirements governing the timing of notice of transfer of servicing under RESPA, or other applicable laws, then Seller shall immediately transfer the closed Loan to a sub-servicer of Buyer's choice (the "Interim Servicer") pursuant to the terms and conditions of this Section. Interim Servicer shall service such Mortgage Loan in compliance with reasonable and customary servicing practices and procedures of prudent loan servicers that service mortgage loans similar to the Loans, and in compliance with all applicable law, from and after the Settlement Date until the date on which the servicing of the Loan is transferred from the Interim Servicer to another servicer (the "Servicing Transfer Date"); however, the Servicing Transfer Date shall be no later than twenty-five (25) days past each related Settlement Date, unless otherwise agreed upon by the Buyer and the Seller.

During the interim servicing period, neither Seller nor Interim Servicer shall take any action to compromise, renew, modify or alter the terms of a Loan or to commence any judicial or non-judicial action to collect a Loan without the prior written consent of Buyer. Any payments or monies received or held by Seller or Interim Servicer from or on behalf of an Obligor after the Servicing Transfer Date shall be held in trust by Seller and/or Interim Servicer, as the case may be, for the benefit of Buyer. Any payments or monies received by Seller or Interim Servicer

from or on behalf of an Obligor after the Servicing Transfer Date shall be delivered to Buyer with forty-eight (48) hours of receipt thereof.

Each party shall be responsible for compliance with Section 6 of RESPA and Section 3500, 21 of Regulation X thereto, as amended, regarding transfer of servicing to the extent applicable to such party, including the obligation of Buyer to send a transferee notice and Seller to send a transferor notice when required. For the purpose of complying with the information required by Section 6 of RESPA, Seller's address is 255 E. Brown Street, Suite 300, Birmingham, MI 48009; its toll-free telephone number is [888.LOAN.466]; Buyer's address is Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 46th Floor, New York, New York 10022 its toll-free telephone number is (866) 736-6614. Each party is responsible for notifying the other in writing in the event of any change in the foregoing information.

No later than five (5) days after each Settlement Date, Seller shall send to all Obligors and grantors, via first class mail, postage prepaid, a letter, the text and format of which shall have been pre-approved by Buyer, which shall advise Obligor that their Loan has been sold to Buyer. The letter shall contain such other information as Buyer may reasonably request.

Notwithstanding the foregoing, it is understood and agreed that Interim Servicing is not currently contemplated to occur pursuant to this Agreement.

SECTION 11. INDEMNIFICATION BY SELLER. Seller will indemnify and hold Buyer, each of Buyer's direct and indirect subsidiaries and affiliates, and the respective officers, directors, shareholders, partners, members, employees, agents, servants, counsel, representatives, affiliates, subsidiaries, participants, successors and assigns of any and all of the foregoing (collectively, the "Indemnified Parties") harmless from and against any and all claims, losses, liabilities, obligations, penalties, actions, causes of action, claims of usury, suits, controversies, damages (whether general, special or punitive), judgments, executions, claims and demands, costs and expenses, including, without, limitation, attorneys' fees and expenses (whether or not litigation is commenced), liens and indemnities of every kind and nature whatsoever ("Claims") arising out of, under, in connection with, or related in any manner to: (i) any act or omission of Seller or any employee or agent of Seller, (ii) Seller's failure to perform any of its obligations hereunder, or (iii) the falsity, incorrectness or incompleteness of any representation or warranty made by Seller herein. This indemnification shall include, but not be limited to, indemnification against Claims arising in connection with actions or proceedings instituted by or on behalf of (i) an Obligor with respect to any of the Loans, or (ii) any person prosecuting or defending any action or proceeding as a representative of or on behalf of a class or other interest group relating to the Loans, or (iii) any governmental instrumentality, body, or agency having jurisdiction under any applicable statute, rule, regulation, order or decree relating to the Loans.

Without limiting the provisions of the preceding paragraph, in the event that an action or proceeding is instituted by a third party with respect to a Claim, Buyer or the respective Indemnified Party shall be entitled to employ attorneys of its own selection to appear and defend the action or proceeding at Seller's sole expense, and to compromise or settle any such action or proceeding on such terms as Buyer or such Indemnified Party may reasonably deem appropriate;

provided, however, that any such compromise or settlement shall not include any admission of liability or wrongdoing by Seller without Seller's prior written consent.

In the event the Buyer or the respective Indemnified Party does not wish to defend such Claim pursuant to the preceding paragraph, the Buyer or such Indemnified Party shall promptly notify Seller of such Claim and Seller must assume the defense of such Claim with attorneys reasonably acceptable to Buyer or such other Indemnified Party. Seller shall not be responsible for such Indemnified Party's attorney fees incurred after the Seller assumes the defense of such Claim unless the respective Indemnified Party and Seller have claims adverse to each other, in which case the prevailing party's legal fees will be paid by the losing party. The failure of the Indemnified Party to notify the Seller of such Claim shall not relieve the Seller of any liability that the Seller may have with respect to such Claim except to the extent the Seller demonstrates that the defense of such Claim is materially prejudiced by such failure. The respective Indemnified Party shall have the right to reject any settlement proposed by the Seller in connection with Seller's defense of such Claim; provided, however, that if such settlement is (i) within the financial means of the Seller, (ii) without cost or liability to the Buyer, (iii) includes a full general release of the Buyer and each of the Indemnified Parties from any liability in form and content reasonably satisfactory to Buyer, and (iv) does not otherwise materially and adversely affect the Buyer or any of the other Indemnified Parties, the Buyer waives its right to reject such settlement offer. In the event that the Seller refuses or fails to undertake the defense of any such Claim within ten (10) days after notice of such Claim has been given to the Seller by an Indemnified Party, or at any time the Seller shall otherwise fail to diligently defend or pursue settlement of such Claim or if such Claim could result in damages in excess of the amount that the Indemnified Party could reasonably expect to be recoverable from the Seller, then the Buyer or any other Indemnified Party shall have the right, but not the obligation, to undertake the defense, compromise or settlement of such Claim with counsel of its own choosing at the sole cost and expense of the Seller.

Upon determination of the amount of a Claim, whether by agreement between the Seller and the applicable Indemnified Parties, by an arbitration award, any other final adjudication or otherwise, the Seller shall pay to each of the applicable Indemnified Parties the amount of such Claim within thirty (30) days of the date such amount is determined. Thereafter, the amount of such Claim shall bear interest at a rate equal to ten percent (10%) per annum.

SECTION 12. REPURCHASE OF LOANS. Seller shall, within ten (10) business days, unless otherwise mutually agreed upon by Buyer and Seller but not to exceed an additional twenty (20) days, of Buyer's written request, repurchase from Buyer any Loan sold to Buyer if any warranty or representation made by Seller about the Loan is untrue and such impairs the value of the Loan(s), or if Seller has otherwise breached this Agreement in whole or in part with regard to any Loan(s) that impair the value of such Loan(s), or if Seller has failed to deliver any Loan document requested by Buyer or required by this Agreement or the Sales Criteria that impairs the value of such Loan(s). Notwithstanding the foregoing, Seller is not a guarantor of the Loans and is obligated to repurchase only upon the occurrence of the events set forth in the preceding sentence. In the event of such repurchase, Buyer shall tender to Seller all Loan documents required to be repurchased pursuant to this provision, and said documents, where appropriate, shall be endorsed to Seller without recourse to Buyer. Contemporaneous with such tender, Seller shall pay to

Buyer in immediately available funds an amount equal to such Loan's then unpaid principal balance, plus accrued interest (the "Repurchase Price"). The Repurchase Price shall include (i) any reasonable costs and expenses incurred in connection with the transfer to the Seller of the servicing rights related to the repurchased Loan, plus (ii) the amount of any unreimbursed servicing advances made by the servicer of the repurchased Loan, plus (iii) any reasonable costs and damages, excluding lost profits, incurred by Buyer or any assignee of Buyer in connection with any violation of any representation or warranty of the repurchased Mortgage Loan by the Seller. It is understood and agreed by the parties that the repurchase obligations hereunder are in addition to, and not in lieu of, all other remedies available in this Agreement or by law. Buyer shall have the right to set off of any amounts owed to Buyer hereunder or otherwise by Seller against any and all amounts owed to Seller by Buyer.

SECTION 13. TERMINATION. This Agreement may be terminated in the manner provided hereinafter; however, all of Seller's representations, covenants and agreements contained in this Agreement shall survive any termination of the Agreement.

13.01 Termination Without Cause. This Agreement may be terminated without cause at any time by either party after sixty (60) days prior written notice to the other party. Termination under this Section 13.01 shall not terminate Seller's agreement to sell and Buyer's agreement to purchase those Loans which, prior to the effective date of termination, Buyer and Seller have agreed to purchase and sell, respectively, provided such Loans: (i) continue to meet the requirements of this Agreement and the Sales Criteria; and (ii) are approved for purchase by Buyer either prior or subsequent to the effective date of termination..

13.02 Termination for Cause. This Agreement may be terminated immediately "for cause" upon the occurrence of any of the following: (i) if Seller or Buyer is in default under this Agreement, or (ii) if Seller becomes insolvent or bankrupt, or if a receiver is appointed for Seller, or if a petition for reorganization is filed by or against Seller. If Seller is in default under this Agreement, Buyer shall give Seller written notice of such default and provide Seller with a period of ten (10) days in which to cure such default. If Seller shall not have cured such default within ten (10) days from the date of Buyer's notification, then Buyer shall have the option to immediately terminate this Agreement upon notification to Seller. If Buyer is in default under this Agreement, Seller shall give Buyer written notice of such default and provide Buyer with a period of ten (10) days in which to cure such default. If Buyer shall not have cured such default within ten (10) days from the date of Seller's notification, then Seller shall have the option to immediately terminate this Agreement upon notification to Buyer. If Seller becomes insolvent or bankrupt, or if a receiver is appointed for Seller, or a petition for reorganization is filed by or against Seller, this Agreement shall automatically terminate. Termination under this Section 13.02 shall release Buyer from any and all obligations to purchase Loans thereafter.

SECTION 14. RELATIONSHIP OF PARTIES. Seller is an independent contractor, and this Agreement and any transactions entered into pursuant hereto shall not

be deemed to create between Buyer and Seller a relationship of agency, legal representation, partnership, joint venture, debtor/creditor, or employment. No party shall be deemed to designate the other party as its agent, and Buyer and Seller agree that neither party is in any way authorized to make any contract, agreement, warranty or representation, or to create any obligation, express or implied, on behalf of the other. Neither party assumes any liability or incurs any obligations of the other by the execution of this Agreement. No part of the consideration to be paid for any Loan shall be considered a fee paid for the goodwill of Seller.

SECTION 15. CONFIDENTIALITY AND NONDISCLOSURE. EXCEPT AS OTHERWISE REQUIRED BY LAW, SELLER, ITS EMPLOYEES AND AGENTS SHALL NOT DISCLOSE THE EXISTENCE OF THIS AGREEMENT OR THE FACT THAT SELLER IS ABLE TO OFFER BUYER'S LOAN PRODUCTS AND PRICES. SELLER AND BUYER SHALL KEEP ALL COMMUNICATIONS BETWEEN SELLER AND BUYER CONFIDENTIAL INCLUDING ALL "NONPUBLIC PERSONAL INFORMATION" (AS THAT TERM IS DEFINED IN TITLE V OF THE GRAMM-LEACH-BLILEY ACT (THE "ACT") AND UNDER APPLICABLE REGULATIONS ISSUED UNDER THE ACT) OF THE CUSTOMERS OR CONSUMERS OF BUYER AND WHICH IS FURNISHED BY OR THROUGH THE BUYER TO THE SELLER. Irreparable harm shall be presumed if the Seller or Buyer breaches this Section. In addition to any other remedies to which the Buyer or Seller may be entitled as a result of such a breach, the Buyer or Seller shall be entitled to seek injunctive relief immediately enjoining the Seller or Buyer, as applicable, from continuing its breach and without posting bond therefore.

Without limiting the foregoing, Seller acknowledges and agrees that it shall not, except as required by law, and it shall cause its directors, officers, employees, agents and advisors not to, without the prior written consent of Buyer (which consent shall be granted or withheld by Buyer in its sole and absolute discretion) disclose to any third party the existence of this Agreement, the terms hereof, or the involvement of Buyer and/or its affiliates in the transactions contemplated hereby. Without limiting the generality of the foregoing, Seller shall not, without the prior written consent of Buyer, refer to Buyer or its affiliates verbally or in writing or use the logo of Buyer or its affiliates in connection with engagement of any third party service providers, the origination of any Loan or the marketing of the Loans to prospective Obligor, including, without limitation, in any Loan documents, in any advertisements or other promotional or information materials regarding the Loans, in any press releases or other public announcements or media, or on any internet website.

SECTION 16. CONFIDENTIAL INFORMATION; PRIVACY. Seller hereby acknowledges that Seller may have access to, or Buyer may provide to Seller information and/or documentation which Buyer regards as confidential or otherwise of a proprietary nature. Buyer hereby acknowledges that Buyer may have access to, or Seller may provide to Buyer information and/or documentation which Seller regards as confidential or otherwise of a proprietary nature.

16.01 Definition of Confidential Information. “Confidential Information” includes, but is not limited to, the following, whether now in existence or hereafter created:
